INSTALLATION OF NEW LIGHTS STARTS MONDAY

Eighteenth Ward to Get 425 Electric Lamps by March 1

Extension of the street lighting system began Monday in the district south of 79th st., and will be continued in other parts of the city in the near future. Bids are already being advertised for from contractors who are submitting figures on the work for the second and third districts, including the R. A. Waller section from Garfield blvd. to 79th st., Stony Island ave. to the west city limits. Bids are receivable August 8, and work will begin within ten days thereafter, Commissioner of Gas and Electricity Miller has announced, the job to be finished by March 1, 1925.

Markings on the curbstones have been made to indicate where the lights will be placed. These show that 425 are to be erected in the section bounded by Marquette rd., 47th st., Racine ave. and Wood st. Between Garfield blvd. and 66th st., Ashland ave. and Wood st. 200 will be placed. The greatest number in this district are called for in the 15th and 16th wards, a total of 900 being included in the territories bounded by Garfield blvd., 59th st., Wood st., and Western ave., and by 59th st., 65th st., Wood st., and Kedzie ave.

Five 250 candle-power lamps will be erected in each 600 foot block, at intervals of approximately 150 feet. On east and west streets, six lights will occupy the same space, where blocks are shorter. Concrete posts twelve and one-half feet tall will hold the lights, surmounted by modern ornamental lantern fixtures.

Work in the South Chicago and southwest district is being done by the city's forces, and will be completed by December 1. Of the total of 1,400 lamps included in this section of the improvement project, 225 will be placed in the section bounded by Stewart ave., Halsted, 99th, and 101st sts. Another group of 400 lights will be erected between 103rd and 111th sts., Michigan ave., and the tracks of the Chicago, Indiana, and Southern Railroad company.

Besides the R. A. Waller section, calling for 1,400 lights, the Wabansia territory on the north side, south of Addison st. and west of Kedzie ave., is included in the second district. Lights to be placed here total 600. Like the second, the third district is to be improved by contract labor. This section, termed the northwest, includes all north of Addison st. and west of Western ave., and will have 1,700 new lamps.

A total of $1,550,000 is available for the program as a result of a bond issue of $2,000,000 voted two years ago.

BURGLARS BREAK INTO 2 WENTWORTH OFFICES

Two concerns, the Henry E. Glixon real estate company and the Catch Basin Sanitary company, which are located at 6140 Wentworth ave., less than two blocks from the Englewood police station, were burglarized last Friday night, the intruders leaving the offices in disorder and taking with them everything of value that could be carried away.

One cash drawer in which $800 worth of real estate payments were kept was missed by the robbers, Henry Glixon of the real estate firm reported.

Two doors at the rear of the offices were broken open. The burglars entered through the garage and worked their way into the rear of the offices, opening the safe and emptying cash and desk drawers, as well as wrecking books for both firms.

Losses of $50 in cash, besides jewelry and small articles of wearing apparel that were kept in the individual desks, were taken from the real estate firm, while $10 in cash was taken from the Sanitary Basin Co.

No trace of the persons entering the firms have been found. The offices were closed at 5 o'clock Friday evening and the burglary was discovered at 7:30 o'clock Saturday morning.

HANGS SELF FROM BEDPOST BY SHEET

When Lenox Alexander returned to his home at 148 W. 73rd st. from work Sunday morning he found his wife, Mrs. Ive Alexander, dead, her body hanging by the neck from a bed sheet fastened over a door.

Mrs. Alexander, who was 34 years old, had been ill for some time and had recently undergone an operation. She is believed to have grown despondent over her physical condition.

A verdict of suicide was returned by the coroner's jury at the inquest held at Lain's undertaking establishment Monday. Death, according to the statement prepared by Deputy Coroner Robert C. Schutt, was caused by strangulation due to hanging.

GUNLESS BANDITS TAKE TAXI DRIVER'S CASH

Although they had no guns, the three thieves that held up Bentley Thurman, a cab driver, at Normal blvd. and Normal pkwy. early Sunday morning, had no difficulty of robbing him of $9. Thurman picked up the passengers at 51st and Halsted sts.

In robbing him they went through the formality of commanding him to "stick 'em up" but failed to show the usual arms that accompany such a command.

Thurman was ordered to drive away after the money had been removed from his pocket.

GEORGE R. DEMPSEY GETS PROMOTION IN POSTAL SERVICE

—Economist Photo
George R. Dempsey

Assignment of George R. Dempsey, 7136 Ridgeland ave., to the superintendency of the Auburn Park post office, 738 W. 79th st., has been ordered by Postmaster Arthur C. Lueder. Mr. Dempsey assumed his new duties July 15, replacing C. P. N. Thompson, who has been transferred to the Stock Yards branch, Cross st. and Union ave.

Previous to his promotion, Mr. Dempsey was stationed in Washington Heights, as superintendent. He has spent thirty-five years in the post office service, beginning his career as a clerk. He was the first assistant superintendent of the Ogden Park branch when it was opened, and served there for ten years.

Under Fred Bosworth, who is in charge of the Englewood branch, he was assistant superintendent there at one time. His predecessor, at the Auburn Park station, Mr. Thompson, was placed in charge of the Stock Yards post office when its superintendent, Henry C. Smale, was assigned to the Quincy branch. Mr. Smale was located at the Stock Yards branch twenty-seven years.

Superintendent Dempsey formerly lived at 6330 Throop st., and was a resident of Englewood for twenty-five years. He will move to Auburn Park in the near future.

NO BOULEVARD STOP; THREE HURT IN CRASH

Three persons were injured Sunday afternoon when the automobile in which they were riding was struck and overturned by another car that failed to stop for Normal blvd. at 69th st.

Those injured are James T. Burns, 7632 Lafayette ave., and Mrs. Anna Montgomery and Mrs. Margaret Mauch, both of Peoria, who were riding in the overturned car. Lynch, who was driving, was injured least of the three, his shoulder being cut. The two women were badly bruised and cut and suffered contusions of the head. All three were taken to St. Bernard's hospital.

Oscar Hanson of Crete, Ill., the driver of the car that failed to stop, was taken into custody by the Englewood police and charged with assault with a deadly weapon on two counts. When arraigned before Judge Joseph S. LaBuy in the Grand Crossing court Tuesday he demanded a jury trial.

OWEN NOT "PRINCIPAL" NOW, IS "PRESIDENT"

When the Chicago Normal college was known as the Chicago Normal school the title of the head of it was appropriately "principal." However, when Mrs. Ella Flagg Young was superintendent the term "college" was given to the institution, but no change was made in the title of the head.

"Principal" did not have the dignity usually associated with a college, various educators argued, and they took action to have a more pretentious title given to William B. Owen. The matter was brought up repeatedly only to be dropped as often. At last the discussion came to the ears of Superintendent McAndrew. It met with his approval and he prepared a recommendation to the board.

It passed and now it's President Owen.

DR. WILSON IDENTIFIES MAN WHO TOOK $197

Picked up as a suspect when found loitering about a cigar store at 43rd st. and Indiana ave. by the Woodlawn police, Hugh Early, 4429 Lake Park ave., was identified by Dr. James W. Wilson, 6201 Green st., as the man who jostled him in a 63rd st. car Sunday afternoon, July 20, just before he discovered that his pocket had been picked and a billfold containing $197 stolen.

Dr. Wilson was called to the Woodlawn station and although Early was not among the group of suspects that were held, he gave the description to Officers Ward and Hennessy and they arrested Early, who has a criminal record.

He was charged with larceny and arraigned before Judge Joseph S. LaBuy in the Grand Crossing court Thursday. A continuance of the case was made to August 9 to allow him to obtain counsel.

PARK MANORITES RISE AGAINST REALTY DEALER

Charge Francis Tibort with Confidence Game in Property Transfers

Over a half dozen Park Manor residents, who allege they were swindled out of a sum totaling $11,000 by Francis Tibort, operator of the Park Manor Real Estate company, 301 W. 75th st., will appear in the Grand Crossing court August 5 to press confidence game charges against him. The charges were lodged by Raymond H. Burchett, 7231 Evans ave., one of the victims.

Burchett made an initial payment of $1,700 on a bungalow in June and, a month later, when Tibort failed to complete the transaction, a warrant for his arrest was secured. Tibort had been mysteriously absent from his office for three days previous to the time when the warrant was obtained. Officers Byrnes and Robinson of the Grand Crossing station went to take him into custody Tuesday and found him missing. Arthur Sheehan of LaGrange, a clerk in the office, stated that he did not know his employer's whereabouts. He was taken to the police station and, after being held for two hours, admitted that he had made an appointment to meet Tibort in the loop that evening.

Nabbed in Loop

The officers accompanied Sheehan to the corner of Adams st. and Michigan ave. and after a short wait Tibort appeared. He was arraigned before Judge Joseph S. LaBuy in the Grand Crossing court Wednesday and at that time seven other victims besides Burchett appeared to tell of losses they had sustained. They signified intention of obtaining warrants but in order to avoid crowding the court records they were advised by Assistant State's Attorney Otto Christopher to wait until the first case was disposed of. However, Tibort's bonds were raised from $2,000 to $10,000. Sheehan, who had no knowledge of his employer's transactions, was not held.

Tibort asked for a continuance and stated that he would be able to repay the money he had taken as deposits on the various transactions. Since he has not yet been able to raise sufficient money to be released from the County jail where he is held pending the hearing of the case those who are prosecuting have little hope of getting their money back.

Is "Convincing Talker"

The names of those who claim to have lost money, in addition to Burchett, and the sums that they have lost, are as follows: Richard Krogh, 7214 Cottage Grove ave., $1,800; L. W. Larson, 6619 Prairie ave., $750; August Nylander, 7706 Calumet ave., $1,000; Christian F. Sorenson, 7528 Calumet ave., $3,400; Ivor Olson, 7944 Michigan ave., $1,600; Hessel Weidenarr, 8130 Evans ave., $700 and an automobile; E. Halvorsen, 7641 Prairie ave., $685. The total of all the amounts is $10,700, but it is believed that several other persons who have not yet made their losses known are involved in the case.

Tibort, who is a Lithuanian, is described as a very convincing talker. One of his victims, Krogh, is a director of the Cottage Grove State bank.

In Burchett's case Tibort told him, when he did not close the deal, that the buyers had refused to sell for the original price. When he demanded the return of his money, Tibort claimed to have put it in escrow on another building. Burchett went to see the owners of the building and their story did not agree with Tibort's. They stated that they refused to sell as Tibort, instead of giving them all the money, attempted to exchange vacant lots as part payment for their property. It was then that Burchett secured the warrant.

Similar schemes were used on the others.

The eight named have secured an attorney and are fighting the case in a body.

HAMILTON COMMUNITY "SING" NEXT FRIDAY

Friday evening, August 1, is the regular night for the outdoor community singing at Hamilton park, under the direction of Harry Barnhart, who has been brought from New York by the South Park commissioners to conduct community singing programs at the various parks during the summer months. Hamilton park has arranged an outdoor stage at the back of the field house to accommodate the director and the Chicago Civic band, which accompanies the programs.

A. T. Campbell, director of Hamilton park, is reserving the center division seats for choruses and singing clubs in the neighborhood. Notification to the park director previous to the gathering of the crowds will assure a reserved portion for the individual club.

ASSIGN REV. CANTY TO RIVER FOREST

Recognition of the ability of the Rev. Father Thomas Canty in administration work was given by his superiors in his promotion to the pastorate of St. Luke's church in River Forest.

He was first curate at Visitation church, 843 W. Garfield blvd., where he has been located for five years. His new parish numbers 200 families and is located in an exclusive Chicago suburb. He succeeds the Rev. Father D. L. McDonald, who has been transferred to St. Andrew's church, Addison ave. and N. Pauline st.

DON'T CONTEMPLATE ROUTING JOLIET CARS IN OVER 63RD ST.

EFFORTS TO USE ARCHER STREET CAR TRACKS UNAVAILING, SAYS PRESIDENT

That the Chicago and Joliet Electric Railway company's lines could be extended from their present terminal at Cicero and Archer aves., further into the city over 63rd st. was declared impossible by J. R. Blackhall, general manager of the lines in the main offices at Joliet Monday, in an interview with an Economist representative.

"Sixty-third street is already occupied with tracks and the Chicago Surface lines would probably deny our cars the use of them. If we ever take the cars further into the city we would use Archer ave. Recently we have made two or three requests of the Surface Lines for the use of the tracks on this street but as yet we are unable to secure any satisfaction.

"At present we are conferring with the Chicago Surface Lines to arrange some way whereby passengers using our lines within the city limits may transfer onto the Archer ave. and Harlem ave. cars. Our cars come three miles into the city limits and those passengers living near the border line object to paying two fares within the city."

Controversies engaged in by other Englewood community weeklies regarding the logical terminal for a hypothetical extension of the Joliet line seems to have created the impression that such a move was probable. The Economist prints the above in answer to queries from readers.

EIGHT GIRLS ENTERED IN LEGION'S JUBILEE POPULARITY CONTEST

AUGUST 8 TO 17 ANNOUNCED AS DATES FOR ENGLEWOOD POST'S CELEBRATION

Eight young women have already entered the popularity contest for the jubilee open air exposition of Englewood post, No. 61, American Legion, to be held August 8 to 17 at 63rd st. and Union ave. Three prizes, a diamond ring, a wrist watch, and an overnight bag, now on display at Saly's jewelry store, 6431 Halsted st., will be awarded to the girls securing the most votes.

The girls whose names have been listed since the contest opened Monday include Miss Mary O'Leary, 7034 Halsted st.; Miss Evalyn Taylor, 304 W. 71st st.; Miss Annette Weinrobe, 1004 W. 71st st.; Miss Lucille Wandersen, 8849 Morgan st.; Miss Margaret Pine, 3514 Peoria st.; Miss Pearl Mendenhall, 1002 W. 63rd st.; Miss Marie Curley, 6110 Albany ave.; and Miss Kathryn Curley, 6110 Albany ave. Others wishing to enter may do so with H. A. Stewart, 671 W. 63rd st., between 2:30 and 4:30 o'clock any afternoon.

An illuminated arch is being erected on 63rd st. between Union ave. and Lowe st. at the entrance to the grounds where the celebration will be held. All booths will be in charge of legion members, assisted by women of the auxiliary, working under Mrs. W. E. Troesch, secretary of the organization and acting chairman of the jubilee committee. Entertainment concessions will include two shows, four rides, and a dancing floor.

Dr. S. Wall, C. R. Edrington, and Herbert Kester are members of the committee arranging for the carnival.

Proceeds will be devoted to the work of the post's service fund, administered under the direction of Elmer N. Holmgren. Hospital care for needy ex-service men is one of the big factors of this work, while the legion's aid in securing compensation is another form of help made possible through this fund.

VETERANS DISCUSS FORMING RIFLE CLUB

Sergt. Harry W. Atkinson of Aurora who received twelve medals for meritorious service in the world war, among them the Congressional medal, the Victoria Cross, and the Croix de Guerre, was the speaker at the initiation ceremonies held by the Greater Chicago post of the Veterans of Foreign Wars when two recruits were taken into the organization at the meeting held Tuesday night, July 22, at Carpenter's hall, 6414 Halsted st.

Sergt. Atkinson, who is now incapacitated due to wounds he received in action, made a plea for proper compensation of disabled veterans and announced that after the national encampment of the Veterans of Foreign Wars at Atlantic City in September he would speak before congress asking that service men unable to work be given aid. Sergt. Atkinson is now in the Rogers Park hospital receiving attention for a nervous condition and although he has been unable to support himself his compensation has been stopped and he claims local authorities will give him no satisfaction.

President Burlingame of the Illinois Rifle association was present and urged that the post organize a rifle club. Although no action was taken it is probable that such a club will be formed. Riflemen with foreign service are invited to join the post.

GROCERY PROPRIETORS HELD UP AND ROBBED

Sam and Nick Tanutsos, proprietors of a grocery at 6959 Lowe ave., were held up and robbed of $105 by two armed bandits who invaded the store late Saturday night.

The brothers were alone when the bandits entered. They were forced into a rear room and here Sam was robbed of $10. Then they were locked in the icebox and after taking $95 from the till the bandits fled in a machine they had left at the curb.

THIN OUT TAXIS ON 63RD WEST OF HALSTED ST.

"Checkers" Give E. B. M. A. Co-operation; "Yellows" Still to Reply

Efforts on the part of the Englewood Business Men's association to relieve congested traffic conditions on 63rd st. resulting from the location of two taxicab stations just west of Halsted bore fruit this week when Harry J. Morley, general manager for the Checker Taxi company, agreed, in conference with Captain Michael Lee of the Englewood police station Monday afternoon, to keep no more than three cars in front of their station at one time and to eliminate all turning of machines in the middle of the block.

The representative of the Yellow Cab company, at the same conference, promised to consult with company officials and a second meeting with Captain Lee is scheduled for today, Wednesday.

A petition, signed by property owners in the 63rd st. block between Halsted and Green sts., had been presented to Mayor Dever, Chief of Police Morgan A. Collins, and the city council by C. R. Edrington, acting for the Business Men's association. It was on orders from police headquarters that Captain Lee conferred with the taxi company officials.

"I don't see how the Englewood business men endured the condition as long as they did," said Captain Lee.

The petition reads as follows:

"We the undersigned, who are business and professional people doing business on W. 63rd st., between Halsted and Green sts., in the city of Chicago, do hereby protest the encroachment of our rights by the Yellow Cab company, and the Checker Taxi company, who maintain stands at 808 and 807 W. 63rd st. These two companies permit an unnecessary number of cabs to stand at all hours of the day and evening in this block and make it impossible for our customers to park their cars in the block. Their drivers loiter around the front of the Company offices and engage in arguments and sometimes fights, and many complaints have come to us that they remark to women who pass by.

"These conditions are intolerable and are causing the business in this block to dwindle away, causing great financial loss to the business and professional people in the block. The Englewood Business Men's association has attempted to adjust this matter with the companies, but their prayers have been ignored in the matter.

"We are not asking that the stands be removed from the block but are merely asking that a ruling be made whereby both companies will not be permitted to have more than two cabs in front of their respective stands at any one time and be compelled to keep their surplus cabs on Green st., when not in use.

"Having faith in your good judgment in this matter, and knowing that it is your desire at all times to be fair and just to everyone concerned, we respectfully submit this matter for your early attention. Full particulars as well as aid and co-operation in adjusting this matter for us can be had from the Englewood Business Men's association through their business manager, C. R. Edrington, 6233 Halsted st., Phone Wentworth 8011."

BOARD TO INVESTIGATE STREET CONDITIONS

Investigations regarding necessity of small children crossing heavily traveled streets if they are compelled to go out of their district when the Harper school is transformed into a junior high school will be made by the Board of Education. This fact was made known in a letter received from the board by Dr. F. G. Moore, secretary of the West Englewood Business District association, which organization, together with the West Englewood Lions club, petitioned for the choosing of some other school in which to initiate the new system.

According to Dr. Moore, it is quite probable that the board will abide by the wishes of the residents of the community that signed the petition and the letter intimated that even if the school is made a junior high those children in the first three grades will be taken care of there and will not be compelled to go out of their district.

It is the contention of the organizations that presented the petition that the lives of thousands of small children will be endangered if it is necessary for them to cross boulevards and street car lines to reach other schools.

CHILD'S HURTS FROM AUTO PROBABLY FATAL

Genevieve Staradunas, 5 years old, 337 W. 59th st., was probably fatally injured Saturday evening when she was struck and run over by an automobile at 59th st. and Princeton ave. Ray C. Whitemore, 7038 Elizabeth st., the driver of the car, carried the girl to St. Bernard's hospital. The wheel of the machine had gone across her body and punctured her lungs and fractured several ribs. Little hope is held for her recovery, according to the police.

Whitemore was taken in custody and charged with assault with an automobile by the Englewood police. He was arraigned before Judge Joseph S. LaBuy in the Grand Crossing court Monday. To await the outcome of the child's injuries the case was continued.

FORBIDDEN TO WEAR NEW DRESS, GIRL SWALLOWS POISON

ETHEL STEWART TAKES CREOLIN SEEMINGLY AS "BLUFF," DIES IN FEW MINUTES

Half a teaspoon of powerful poison swallowed Friday night, apparently as a "bluff," was the closing argument offered by Ethel Stewart, 15, a June graduate of Gresham school, in a family controversy over her determination to wear a new accordion plaited skirt to a beach party to be given by former schoolmates. The potion killed her at 8 o'clock, shortly after she drank it in the home of her foster parents, Mr. and Mrs. Fred Hedzel, 7237 Sangamon st., following supper.

The girl was absent from the kitchen of the Hedzel residence only a moment, but in that time she had gone into the darkened bathroom and had unerringly selected a bottle of creolin, used to produce curative fumes for the treatment of the Hedzel grandchildren when they had had whooping cough.

"Look what I drank!" she exclaimed, emerging from the room. Those were her last words. She gasped and commenced to tear at her clothing for relief from the burning. Englewood police were telephoned by the family after their efforts to get two doctors had failed, but the ambulance was then at 49th and Paulina st. answering another call and when it arrived to remove the girl she was in an unconscious condition and burning with a high fever.

Antidotes given by her foster relatives had proved unavailing and little could be done for her at the Englewood hospital. She died without regaining consciousness.

Details of the affair were furnished at the inquest at 10 o'clock Saturday morning in Englewood hospital by Mrs. Anna Sporleder, daughter of Mrs. Hedzel, who also lived at 7237 Sangamon st. According to her story, Ethel had resided with Mrs. Hedzel since she was 11 months old. Her mother died when she was 13 months old. She was reared as one of the family and was the recipient of every care from her foster parents, who never legally adopted the child. A console victrola given the girl by Mr. Hedzel last year was a cherished possession of hers.

"I told her not to wear her new skirt to the beach Friday night if she planned to wear it again Sunday, because the pleats would be all out of it," was Mrs. Sporleder's explanation. "She said she could have it pressed Saturday but I reminded her the shops would be too busy. She insisted on wearing it and when she became abusive, my husband, Herman Sperieder, told her to remove the garment and help me do the dishes. It was then that she took the poison."

Both Mrs. Sporleder, whose husband is a policeman at Kensington station, and Mrs. Hedzel, who is the only mother Ethel has ever known, were grief stricken over her unintentional suicide.

Her father is living and she has three brothers, James, Harvey and Frank, and a sister, Josephine, surviving her. They reside at 51st st. and Emerald ave.

NEW STREET CAR LINE TO BE BUILT ON 71ST

More nearly adequate transportation will be given to those who will use Marquette park when improvements now under construction are completed, as work has been started on a street car line on 71st st. from Western ave. to California ave., the eastern boundary of the park.

Corporation Counsel Francis X. Busch was notified Monday by Leonard A. Busby, president of the Chicago City Railway, that work on this line which was ordered together with three extensions by the city council and the Illinois Commerce commission had been started.

One of the three extension projects is in Southtown. It will be the extension of 59th st. from Kedzie ave. to Central Park ave., a distance of a half mile.

ENGLEWOOD "Y" TO BE LOCATED AT 66TH, UNION

Should Start Building Within Ninety Days if Austin Plans Acceptable

The Greater Englewood Y. M. C. A. building, for which a $500,000 drive was completed last November, will be located on the tract north of 66th st. between Union and Lowe aves.

Definite announcement to that effect was made this week by Kenneth F. Beers, local executive secretary for the Y. M. C. A. following withdrawal of offers the "Y" had made for the railroad property north of 63rd at Wallace st.

The Y. M. C. A. took title to the land at Union and 66th early in March but it was announced at that time that investigation of other possible locations would continue. Rumor as to the location of the Englewood building has persistently centered about the railway property and an Englewood ave. site.

"The Y. M. C. A. could have purchased the tract on Englewood ave. just east of the business college," said Mr. Beers. "In fact, the property was offered us at $40,000. And it would have made an excellent location. But a building there would have, of necessity, been so located as to forever block the opening of Union ave. and the committee would not consider the proposition."

Title to the railway property is exceedingly involved and the "Y" made exhaustive efforts to clear legal difficulties in the way of its acquisition. However, although no statement to that effect was made by the Y. M. C. A., it is understood that a previous option held by local real estate interests was the final and only stumbling block. The Y. M. C. A., it has been reported, offered $250,000 for the section, which has a frontage of 550 feet on 63rd st. from Wallace st. west.

Building should be under way within ninety days if the Austin plan, which will be considered as a model, is accepted by the local committee without revision, according to the Y. M. C. A. heads.

The plans of the Y. M. C. A. committee of Austin, where a financial drive was completed previous to that in Englewood, have been revised by Chicago authorities and have gone to the building bureau in New York. They are now in the hands of an architect and when, in two or three weeks, bids are advertised for, the plans will be placed in the hands of the Englewood committee.

There is every expectation that the local men will find the Austin plans acceptable.

"In many ways the site that has been decided upon is the very best that could have been secured," said Mr. Beers. "There is ample space for an outdoor athletic field and we will be able to place the building back from the street, giving opportunity for an artistic landscape setting."

The property has a 225 foot frontage on Union ave. and 468 feet on 66th st.

PUBLIC IS INVITED TO DAY NURSERY PICNIC

Invitations have been sent to patrons of the Daughters of Jacob South Side Day and Night nursery, 6401 Peoria st., asking their attendance at the annual picnic at Beverly Hills forest preserve, 87th st. and Western ave. Trucks will furnish transportation between the Ashland ave. street cars and the preserve. This service, as well as the entire picnic, is free.

The forty children of the nursery will be taken to the outing in a bus, so that they may enjoy the entire day's program.

Races and games are being arranged for young and old, and a plate luncheon will be served. Mrs. A. Shapiro, 6138 May st., is chairman of the entertainment committee.

It was an exciting "derby" they held last Friday at 52nd and Pauline, when "pushmobile" enthusiasts from Auburn Park, Raster, Earle, and Copernicus playgrounds gathered for the elimination contest to choose an entrant in the city wide contests to be held Saturday at Grant park. Emil Vaci of Raster got wrecked in his "Kissel Special," when he ran into one of the judges. There were twenty-one cars entered.

The champion is shown above—Edward Schroeder of Raster, in a handsome "Miller Special" with the "pushers," left to right, Anthony Lanza, Dominic Lapore, Sam LaRosa, and Carl Sorrentino. The boys made their own cars.

SOCIAL AND ORGANIZATION ACTIVITIES

Minto-Failing Wedding

A simple home wedding occurred at the home of Mr. and Mrs. George W. Minto, 6359 Normal ave., at 4 o'clock Sunday evening, when their daughter Zella, and Webster Failing, 5327 Prairie ave., were married, the Rev. F. L. Hanscome, pastor of the Pilgrim Congregational church, 64th st. and Harvard ave., officiating.

The bride wore lavender georgette and carried a bouquet of pink and white roses. There were no attendants. After the ceremony a wedding supper was served to the members of the two families.

Mr. and Mrs. Failing left Sunday evening for a trip to Starved Rock, Ill.

Tobin-Kinsella Nuptials

Miss Lucille Tobin, daughter of Mr. and Mrs. Richard Tobin, 5903 Eggleston ave., became the bride of John Kinsella Thursday afternoon in a ceremony performed at St. Anne's church by Father Stratford. The bridegroom is the son of Mr. and Mrs. William Kinsella, 5901 Eggleston ave.

—Topics Photo
Mrs. John Kinsella

The bride, wearing a dress of white canton crepe and a long veil of silk net, was given in marriage by her father. She carried a shower bouquet of white roses and lilies of the valley. Miss Mildred Tobin, sister of the bride, as maid of honor, wore jade green georgette. The bridesmaids, Misses Anna and Margaret Kinsella, sisters of the bridegroom, wore peach and orchid colored georgette, and all carried pink roses.

William Schneir as best man, Carl Breen, and Carl Jacobs attended the bridegroom.

Gladiolas, maidenhair ferns, and Shasta daisies decorated the Tobin home, where a 6 o'clock wedding dinner was served following the ceremony. Forty-five guests were entertained.

After a trip to the Dells, Wis., Mr. and Mrs. Kinsella will return August 3, when they will be at home at 5927 Emerald ave.

To Be Luncheon Hostess

Mrs. Eva Miller, 7137 Union ave., will entertain the Pythian Tea Ladies at her home August 6. The affair will be a luncheon.

Republican Clubs at Palos Park

Members of the 18th Ward National Republican Men's and Women's clubs, Deneen group, were guests Sunday at an outing at the summer home of Mr. and Mrs. H. C. Vandenberg at Palos Park.

Judge Pam Performs Ceremony

Judge Hugo Pam of the Superior court will officiate at the wedding of Miss Marie Rodighiero, the daughter of Mr. and Mrs. Dominic Rodighiero, 6700 Lafayette ave., and Harry Bingham, the son of Mr. and Mrs. R. Bingham, 6936 Peoria st., at the home of the bride at 6 o'clock Wednesday evening, July 30. Miss Esther Rodighiero, a sister of the bride, will be the bridesmaid, while John Rodighiero, a brother of the bride, will attend Mr. Bingham.

Mr. and Mrs. Bingham will leave after the ceremony for a motor trip through northern Wisconsin, Minnesota, and Canada. On their return they will make their home in Beverly Hills. A reception will be given August 16, after their return.

Banquet at LaSalle Hotel

A banquet and dance at the Hotel LaSalle last Saturday evening was given immediately after the initiation services for several Englewood girls into the Tau Beta Delta sorority as the Beta chapter.

Members from the Englewood chapter, and their officers include: President, Bernadette Coator; vice-president, Margaret Curran; secretary, Helena Gill; treasurer, Mary Dougherty; members, Alice O'Brien, Loretta Boland, Mary Longley, Elaine Wilson and Catherine Taylor.

Entertains for Iowa Guests

Mrs. J. McWayne, 6322 Winchester ave., entertained at a dinner party Tuesday evening, July 29, for Mrs. John Riestoffer and sons, Vernon and Clare, of Spragueville, Iowa, who have been visiting her and her sister, Mrs. F. J. Yakaites, 6200 Wood st. Mrs. McWayne and Mr. and Mrs. Yakaites motored with their guests to Cedar Lake, Ind., for a picnic Sunday. They were accompanied by Mr. and Mrs. Fred Rabjohn, daughter, Blanche, and son, Russell, 6623 Winchester ave. Mrs. Reistoffer and sons left Tuesday evening for their home.

Name Convention Delegate

Rosebud Review No. 19, W. B. A., has selected Mrs. Mattie N. Andrews, 5656 Green st., as its convention representative. She will motor Saturday to Port Huron, Mich., and will remain there for two weeks.

Attend National Session

Mrs. Pearl Price, 6519 Peoria st., Mrs. Anna M. Schragg, 6930 Laflin st., and Mrs. Anna Gall, 6627 Green st., left Friday for New York to attend the national Mooseheart convention in progress there from Sunday to Thursday. They represent Englewood Lodge No. 221, Moosehcart Legion.

Discuss Club's Formation

Mrs. M. H. Landeweer, 6410 Aberdeen st., and Mrs. Mattie N. Andrews, 5656 Green st., were present July 16 at an evening session in the Palmer house where members of the Women's Benefit association discussed formation in the near future of a city club and a "booster" club for their organization.

Engagement Is Announced

Mr. and Mrs. George Woollacott, 6342 Parnell ave., announce the engagement of their daughter, Vera Leone, to Virgil E. Wagar, 6323 Ellis ave.

Shower for Sunday Bride

Six friends gathered at the home of Miss Dorothy DeForest, 6128 Union ave., last Friday evening for a miscellaneous shower in honor of Miss Zella Minto, 6359 Normal ave. After the presentation of gifts, refreshments were served. Miss Minto was married to Webster Failing, 5327 Prairie ave., Sunday afternoon.

Zionists Plan Boat Trip

Nathan Brodsky, 6935 Aberdeen st., as chairman of the arrangements committee for the second annual boat trip of the Zionist Social club of Englewood, has charge of distributing special rate tickets for the trip. South Haven, Mich., will be visited Sunday, August 17, the trip to be made by boat from the Clark st. bridge, leaving at 9:30 o'clock in the morning and returning at 8:30 o'clock in the evening.

Tickets may also be secured from Miss Sara Goldman, 5608 Racine ave., who is also a member of the committee, along with Miss Julia Weinstein, and Miss Frieda Nimec. Mr. Brodsky has made arrangements for special entertainment during the trip. He may be reached by calling Wentworth 5011, while Miss Goldman's telephone is Wentworth 5180.

Imperial Card Club Meets

Mrs. Mary Hoffman entertained the Imperial Card club Wednesday, July 23, at the home of Mrs. P. L. Quade, 7230 Michigan ave. The honors were won by Mrs. Quade, Mrs. Straighten and Mrs. Rahn. Ice cream and cake were served after the game.

McConnell-Steele Wedding

Miss Margaret McConnell, 6206 Morgan st., and Thomas Steele, son of Mrs. Mary Steele, 6919 Emerald ave., were married Wednesday, July 23, at the home of the bridegroom's sister, Mrs. Henry Smith, 66th and Justine sts. Mr. and Mrs. Smith acted as attendants for the couple. A small company of relatives and friends who witnessed the ceremony were guests at the dinner which followed.

Mr. and Mrs. Steele will leave Saturday evening for a two weeks' trip to Seattle, Wash. Upon their return they will make their home in Englewood.

To Give Benefit Bunco Party

Mrs. John Klein, 7125 May st., has announced a benefit bunco party to be given Wednesday evening in Orange temple, 68th and Green sts.

Entertains with Cards

Mrs. Mary Johnston, 6137 Hermitage ave., entertained a party of friends at five hundred Monday afternoon at her home. Mrs. F. J. Yakaites, 6200 Wood st., won the first prize, Mrs. J. Singer, 417 Normal pkwy., second, and Mrs. Johnston, third. The consolation token went to Mrs. Polly McLennon, 143 W. 66th st. Refreshments were served.

Plan Juniors' Picnic

Mrs. Anna Mollette, 7919 Avalon ave., Mrs. Mattie N. Andrews, 5656 Green st., and Mrs. Emma Breitz, 60 E. 58th st., compose a committee that is making plans for their district's part in the Women's Benefit association juniors' picnic. The outing will take place Wednesday, July 30, in Lincoln park.

WORK ON TRACK ELEVATION MAY START IN FALL

Railroads Seek More Time to Plan Subways at 74th and Western

Tracks used by three different railroads at 74th st. and Western ave. will be off the grade within eight or ten months, Alderman George M Maypole, chairman of the council committee on elevations, has been assured by a representative of the Western Indiana railroad who conferred with him July 14.

Controversies have waged between the lines affected by the ordinance passed in May by the council providing that subways be built by the roads using that right of way. The railroads involved differ as to the methods to be used in elevating the separate grades.

Aldermen and interested citizens, who urged track elevation as a safety measure, despaired for a time of obtaining action on the matter in the near future, but Alderman Maypole expects agreement on the grading to be reached by the lines by fall.

It was indicated by the representative of the Western Indiana road in his talk with Alderman Maypole, that the lines involved have practically "ironed out" their divergent opinions on the means of raising the different tracks and are prepared to accept the ordinance when it is again introduced into the council or amended in its present form, in the autumn.

Sixty days was allotted the railroads, in accordance with the usual procedure, for acceptance of the council's order. Owing to the disputes among the railroads over the method of making the elevation, the time limit elapsed without action on the part of the roads, thus nullifying the ordinance.

Time is needed until fall, according to the railroad man to settle the question of the grade raising, which involves the building of subways thirteen and a half feet high. The improvement will cost each line $750,000. Concrete work is expected to be under way late this year.

JUDGE DISMISSES SUIT FILED BY HARRY CARR

Judge Torrison of the Circuit court dismissed last Friday the suit brought by Harry Carr 327 W. 63rd st, against his wife, Cecelia Carr and Dr. Henry Barth, 1727 W 103rd st., July 1, claiming they had ousted him from his shoe store. He sought to again regain control of the place.

Suit was filed two weeks ago by Mrs. Carr against her husband, asking separate maintenance. Samuel Johnson, who was named as receiver for the shoe establishment, has been relieved of his duties in that capacity by the dismissal of the suit instituted by Carr.

Down on the farm where I spent my vacation—no, you are entirely mistaken. This scene of rural peace is a part of the throbbing city of Chicago, Marquette park, where extensive improvements are under way, just naturally raises a lot of grass and Herman Braasch is seen here raking the hay.

RADIO COMMISSION'S PLANS FOR "PICNIC" TOLD TO B. L. A.

EXHIBITIONS, DEMONSTRATIONS, ADDRESSES AND ARTIST PROGRAMS INCLUDED

Announcement of plans for a "radio picnic," to be held early in September at a city park, were made Friday evening before the Broadcast Listeners' association, meeting in Hamilton park field house, 72nd st. and Normal blvd.

Charles H. Porter, executive secretary of Mayor Dever's radio commission, of which F. H. McDonald, B. L. A president, is a member, reported that arrangements were being made for this affair, when radio manufacturers will be invited to demonstrate and display their apparatus. Broadcasting artists will appear in person and talks by radio authorities will be made during the session.

Other speakers before Friday evening's audience of more than 400 people included Harry Shotwell of the Operadio corporation, Ernest R Reichmann of the firm of Frion, Drucker, Reichmann, and Boutell, legal counsel for the B. L. A., C. T. Read, operator of amateur station 9AA, A. T. Parkhurst, United States inspector of radio; Dave Edelson of the M and E Booking agency which has been providing artists for the association's programs; and President McDonald. Mr McDonald speaks every Thursday evening from Station WLS at 10 o'clock.

Radio artists on the program were Sally Menkes of KYW, Bobby Brown, ukulele player, and Harold Morava, tenor.

Information regarding his selective tuner will be contained in M. H. Romberg's talk Friday evening at the association's meeting. Mr Romberg is an electrical engineer with the University of Chicago.

OGDEN PARK CHAPTER RENTS MICHIGAN FARM FOR ORPHANS' CAMP

YALE AVE. CHILDREN'S HOME SENDS CHARGES ON SUMMER VACATION

Every one of the fifty-eight children of the Protestant Woman's association orphanage at 6323 Yale ave. is spending the summer on a farm near Glenn, Mich. The summer outing is made possible through funds contributed by Masonic and Eastern Star orders of the city. The movement originated with the 603 club of Ogden Park Chapter, O. E. S.

A large new tent, recently donated to the association, has just been forwarded to the summer camp. It will make possible outdoor sleeping quarters for all the boys, relieving crowded conditions in the farmhouse where nine large rooms and an enormous enclosed porch serve as dormitories and living quarters. Another tent has been in use both last year and this. Seventy-five cots were purchased when the camp was first opened, while bedding and dishes are taken from the Yale ave. home.

Lake Michigan, only one-fourth mile from the farmhouse, provides an excellent bathing beach. A well-equipped playground has been fitted up by neighboring farmers. Fresh fruit and vegetables, free for the picking, and Jersey milk delivered by a nearby dairyman, added to the advantages of fresh air and sunshine complete the almost ideal conditions for the children's vacation. Truck and hay wagon rides to Glenn, where Sunday school services on Sundays and week-day community meetings are attended, are provided by friend of the organization.

This program will continue until the children's return for their entrance to Lewis-Champlin school in September. The camp opened July 1.

Mrs. Jennie Turpin, 6229 Ingleside ave., president of the Protestant Woman's association during the past five years, has gone for a fortnight's stay at a cottage near the children's farm.

COMMUNITY SINGING ATTRACTS THOUSANDS

It was estimated that nearly 4,000 people were in attendance at the initial appearance of Harry Barnhart, community singing director, at Ogden park Thursday evening. Seats will be provided for as many persons as possible when he returns Thursday evening, August 7. Reservations by women's clubs or chorus in the neighborhood may be made for their entire organizations by applying to Park Director Daniel Russell.

PRIZE CONTEST FOR RADIO MEET THURSDAY

At the meeting of the Chicago Radio association held July 24 at Ogden field house, a Crosley Trirdyn set was demonstrated. Chester G. Hoge, president of the association, gave an illustrated lecture on the Trirdyn hook-up and also discussed various other circuits. Entertainment was furnished by Alfred Tweed and Harry Barnhart.

George F. Pritchard, sales engineer of the Carter Radio Co., and Mr. Hoge will give illustrated lectures at the meeting to be held on July 31. The operation and demonstration of a new radio set and loud speaker will be given as usual.

Entertainment for the evening will be furnished by George Miller and Charles Dalton, well known Radiocast artists. New radio artists will appear at the weekly meetings from time to time.

As an added feature for this weeks program a free prize contest will be held at the close of the meeting. Prizes to be given are 45 and 22½ volt "B" batteries furnished by the Stuart Products corporation of Chicago.

It Takes 40 Years to Build a Cemetery
Chicago's Most Beautiful Cemetery

Mount Greenwood
Is 45 Years Old

No commissions on lot sales paid to any person.

Real perpetual care—an honest contract—care funds in trust company's hands.

A properly developed cemetery—not a paper cemetery. Seven and one-half miles of sewers and drains prevent any possibility of wet graves or overflowed lots; 4¾ miles of water pipe connecting with the Chicago water system. Every lot in the cemetery properly watered during the dry season.

Lot prices moderate. Should be investigated by everyone wishing to secure a cemetery lot. Such investigation may save the mistake of paying as much or more for an unfinished lot in an undeveloped cemetery as would secure a lot in beautiful Mount Greenwood.

The columns of the Economist are for the use of its readers. Personals, social and organization news, church notices, etc., if bearing name, address and phone of sender, will be published free of charge. Copy must reach the office not later than Monday night.

The Southtown Economist is published in three editions. The Central edition, delivered every Wednesday, carries the news of Englewood, Normal Park, Hamilton Park, Park Manor, Ogden Park and the Garfield district.

To those not in the distribution territory and unable to call at the office, the Economist will be mailed for $1.50 per year.

288

When clouds appear wise men put on their cloaks;
When great leaves fall, then winter is at hand;
When the sun sets, who does not look for night?
Untimely storms make man expect a dearth.
—Shakespeare

HAVE MADE BEST CHOICE

Some disappointment may be occasioned by the announcement this week that the Y. M. C. A. has withdrawn its offer for the railroad property at Wallace and 63rd for purchase as a possible site for the Englewood building. The location has been generally considered a desirable one, especially by the business men along Halsted and 63rd sts. Wallace st. is a mere step from a busy center of activities, and the transportation facilities there are the best that any one location in Englewood could offer. Furthermore, an imposing Y. M. C. A. structure on that site would greatly improve the aspect of a section of 63rd st. that can well undergo betterment.

But there are other angles to the situation, consideration of which may serve to mitigate the disappointment of those who were anxious to have the building placed on the railway property. In the first place, the plot is, naturally, high priced. It is understood the Y. M. C. A. offered $250,000 for the land. Part of this would doubtless have been disposed of for other purposes, but at best no less than $75,000 would have gone into the site alone. By way of comparison, the large area between Union and Lowe aves. north of 66th st., where the building is to be located, was purchased for $35,750. Forty thousand dollars more or less, with which to make the Englewood building all that it should be, is not to be sniffed at.

More and more, the question of parking space for automobiles, especially about public buildings such as a Y. M. C. A. is, must be taken into consideration. The problem is already a serious one on Halsted and 63rd sts. A Y. M. C. A. where, at night and in the daytime, large groups would be continually assembled, would materially increase the congestion in a business section. On the other hand, space for this purpose is ample about the 66th st. site.

The latter location will also offer possibilities for the development of an extensive outdoor athletic field that would be inadvisable on the higher priced land.

One of the chief purposes of a "Y" is to provide a home, in the dormitory, for young men, and this purpose should prove of especial importance in Englewood, where hotel facilities are so woefully inadequate. There is no doubt but what the comparative quiet of 66th and Union would be preferable, in this respect, to the proximity to railway trains and street cars at Wallace and 63rd.

To be sure, a building for the use of the public should be located where the public spends most of its time, but as business Englewood expands, 66th and Union will be less and less away from the center of things.

IT'S THE WISE MAN THAT LOOKS AHEAD, BUT—

Our worthy contemporaries seem to have entered into a dispute regarding the logical local terminal for an extension of the Joliet interurban line. Will it be at 59th and Halsted or 59th and Princeton, 63rd at Princeton or at Halsted? A trifle premature the controversy seems to us, since an Englewood extension of the line seems highly problematical to say the least. Not but what such an extension would be eminently desirable, from Englewood's point of view. And we may be able to secure it. But the exact location of the Englewood terminal is a minor detail, providing it *is in Englewood.* The energy wasted discussing it might better be expended investigating actual possibilities of the scheme, offering inducements to the Joliet company and bringing pressure to beat upon those that control the granting of use of the street car tracks.

There is nothing Englewood can do that will hasten the growth of business Englewood more than the improvement of transportation facilities connecting our section with the outlying districts to the south and west. We must have better roads, better interurban, street car and train service.

But the petty details can wait while we all work together for the accomplishment of the entirety. There's no use seeking the rainbow's end while it is still raining.

STREET PLAYGROUNDS

In proposing that street playgrounds be provided by closing stub-end streets, Commissioner of Public Works Sprague has taken a commendable stand. Both as a means of preventing loss of children's lives through traffic accidents, and for the purpose of affording space for healthful outdoor exercise the plan is worthy of trial. Ward superintendents, in submitting lists of streets suitable for the purpose, have brought out the fact that more than 200 such roadways are available. At least one stub-end street has been reported in each ward, while the 37th has ninety-seven possible locations for the proposed playgrounds.

In addition to stub-end streets, thoroughfares having little traffic are also being considered in the project. Assisting Commissioner Sprague, Street Superintendent Thomas H. Byrne, and Walter Wright, superintendent of the bureau of small parks and playgrounds, will inspect the lists submitted by the ward superintendents.

The project is commendable, yes. But, with only one more full month of vacation remaining for the school child, and with the summer half gone, action is needed immediately. Favorable reports by ward representatives, including aldermen in several instances, are encouraging, but approval of the plan does not put it into operation. Nor does such sanction protect the lives of the boys and girls who are forced to play on the streets.

Not that we would discourage a trial of the plan, no matter how late in the season it is made. One week of safety for the children would be worth while and, if adopted, the system will probably be put into operation for a longer period than that. Besides, if once tried, the ground will be broken, and the way smoothed towards repeating the recreation project another year.

A new idea in apartment house construction is also worthy of note—that of building play rooms in the basements. As an ever larger portion of the country's population finds its home in cities, we must cease to tacitly accept the hostility of urban life toward children. It must be overcome.

TO EXTEND "L" WEST BY NEXT YEAR, PROMISE

Loop Improvements First Step in Expansion; Stock Sales Rapid

ope of l ginning work within a year on an extension of the elevated lines is entertained by officials of the line, W. W. Hawthorn, superintendent of the south side division, with offices at 61st st. and South Park ave., stated Tuesday. The program of development calls for extension of the Englewood line west to Ashland ave. and south to 74th st. as the first step.

Stock in the electric lines is being sold rapidly, he said, 92 per cent of the employes having become share holders as well as acting as salesmen. Of the 50,000 shares which are included in the $5,000,000 issue, 26,000 have already been sold, 13,000 going to employes of the company, indicating that all will be disposed of before September 1 when the sale closes.

Just as soon as the funds are available, probably in September, improvements will be started in preparation for the future expansion. In order that additional lines may not further congest loop traffic, downtown elevated platforms are to be enlarged to accommodate eight-car trains, increasing facilities 20 to 25 per cent. This work, it is expected, will require nearly a year, but is necessary if expansion of the lines is to increase the service rendered.

In addition to the benefits to be derived from the use of the additional funds, the elevated line officials are finding the co-operation of the public and their employes encouraging, said Mr. Hawthorne.

Illogical, but Necessary

SELL TWO DOZEN AIR MAIL STAMPS DAILY AT ENGLEWOOD OFFICE

BUSINESS MEN CHIEF PATRONS OF 24 HOUR SERVICE TO WEST COAST

Steady increase in the volume of airplane stamp sales has been noted at Englewood postoffice, 449 W. 63rd st., since the aviation mail service was inaugurated the first of the month. Englewood residents were the recipients of many of the letters marked "first mail by air from Los Angeles."

Business men are the chief patrons of the new time-saving method of transporting mail across the continent. It requires but twenty-four hours for a piece of mail to be taken in an airplane from Chicago to Los Angeles, whereas the ordinary mail service takes three days. The cost is but eight cents by plane.

Speed and certainty of delivery are two factors which tend to make the recently introduced air service indispensable to the person to whom a saving of time is vital to the welfare of his interests. To date, according to Fred Bosworth, superintendent, the air service has maintained a dependable schedule. Pouches of mail arrive each morning shortly after 7 o'clock at Checkerboard flying field on Roosevelt rd., and other sacks are loaded there for the outgoing trip each evening at sundown. Mr. Bosworth on July 1 sent a letter by air service to his sister in Los Angeles that she might be the recipient of one of the first Chicago letters to reach there by the new route.

Requests for airplane mail stamps number about two dozen a day at Englewood station. The stamp bears the picture of a plane such as that used for the service. It costs eight cents for a letter to travel from New York to Chicago, an additional eight cents for the same piece to go from New York to Cheyenne, Wyo., and the same amount between Cheyenne and Los Angeles, the three laps of the journey.

ST. JOHN CHURCH TO OPEN CARNIVAL AUG. 2

Featuring the program of the third annual outdoor carnival to be held by the parish of St. John the Baptist will be the awarding of a Buick touring car. Final arrangements for the carnival have been made and the opening date is set for the evening of August 2. The entertainment will continue every evening until August 17.

These busy, happy children are in a class which is part of the vacation school which closes with a demonstration program tonight, Wednesday, at the Augsburg English Lutheran church, 73rd and Wabash. They are, left to right, Leona Murray, Dorothy Shielke, Mabel Anderson, Marion Evertz, and Nora Nugent, with their instructor, Mrs. A. F. Enke, 6915 Michigan ave.

OBITUARY

William A. Hawkins

William A. Hawkins, 6558 Sangamon st., pioneer grocer of Auburn Park, passed away Tuesday morning, July 22, at the home of his son, 7703 Aberdeen st. Coming to Auburn Park in 1890, Mr. Hawkins conducted a business on 79th st. for twenty-one years. Later he went to 77th and Halsted sts., and recently has been on Kedzie ave. He is survived by five children, Max, Don, Gail, Harold and Helen Hawkins.

The Rev. H. F. Meltzer of Christian and Missionary Alliance tabernacle conducted the funeral services at the son's residence, where the death occurred. Interment was made at Mt. Hope cemetery.

Louis F. H. George

Louis F. H. George, only son of the Rev. and Mrs. Joseph A. George, died Wednesday morning, July 23, aged 4 years and 4 months. His death occurred at the German Deaconess hospital following an operation performed Tuesday for the removal of tonsils and adenoids.

Funeral services were held Friday afternoon from the Salem Evangelical church, 6822 Emerald ave., of which the Rev. Mr. George is pastor. They were preceded by short ceremonies at the parsonage, 6824 Emerald ave., where the little boy had spent his entire life.

The Rev. Jacob Pister, pastor of St. Paul's Evangelical church, a friend of the boy's father, had charge of the services. He was assisted by the Rev. H. W. Dinkmeyer of Bethany Evangelical church, the Rev. Herbert Brodt of the Evangelical Church of Peace, and the Rev. Julius Kircher.

Interment was made at Forest Home cemetery.

Mrs. Wilhelmina Pabst

Mrs. Wilhelmina Pabst, aged 74, died Monday evening at the home of her brother, Carl Nordman, where she had lived more than thirty years. Pleurisy caused her death, after a few weeks' serious illness. Since the death of her husband, Henry Pabst, thirty-four years ago, Mrs. Pabst has reared a family of six children, all but one of whom survive. Besides, she has been active as a practical nurse, and was a member of the Mothers' Sodality and the L. C. B. A. of Sacred Heart church.

She leaves two sons, John C. Pabst, 6208 Normal blvd., and Leo A. Pabst, 7213 Emerald ave.; three daughters, Mrs. Josephine Klinkhamer, 7308 May st., Mrs. Frieda Bliss, 6959 Halsted st., and Mrs. Helen Heldman, who lived with the mother; two brothers, Carl and Ferdinand Nordman; two sisters, Mrs. Elizabeth Nachtway and Mrs. Anna Adams; and six grandchildren.

Funeral services were held Thursday morning at Sacred Heart church, where solemn requiem high mass was held. Interment followed at St. Mary's cemetery.

CHICAGO BOYS' CLUB CAMP AT WINONA LAKE PROVES ATTRACTIVE

NORMAN H. COOK, DIRECTOR, LEAVES WITH GROUP FOR TEN-DAY PERIOD

Fifty-three boys, members of the Chicago Boys' Club No. 4, left July 18 for camp at Winona Lake, Ind. They were accompanied by the club director, Norman H. Cook. Wooden shelters and mess halls are provided for the campers, while a thirty-seven acre tract of land furnishes them with ample opportunity for outdoor exercise.

John H. Witter, general superintendent of the club, A. R. Snyder, director of Club No. 2, and Joyce Ewan, director of Club No. 5, along with Mr. Cook and several caretakers, look after the boys' needs. An average of fifty from each of the three clubs has been a the camp during each of the ten day periods since the opening June 10. The last group will return September 1.

The daily program opens with the reveille, followed by an early swim, flag raising, and "setting up" exercises before breakfast.

Nature study and the regular morning swim take up the time until dinner, while baseball games and other athletic events are popuar in the afternoon. Boating and roaming about the club farm vie for popularity preceding the supper hour. Campfire talks and stunts provide the day's climax.

The boys who left for camp Friday include: Sidney Davey, Herbert Davey, Fred Boshardt, Robert Finley, Clarence Johnson, Max Achtenberg, Charles Hobart, Otto Holub, Albert Turnell, Willard Blome, Forest Froberg, Jack Gulley, Walter Somer, Elmer Herdetsky, Donald McLean, Davis Brownly, Paul Silverstorf, William Silverstorf, Eugene Cour, Alvin Perkins, John Scanlan, Peter Sepic, Michael Corbett, William Johnson, Bernard Flyn, Irwin Limm, Raymond Volz, Carl Shultz, Norman Wallas, Raymond Russell, Clifford Russell, Arthur Nelson, Freddie Hewitt, Stanley Larson, Jack Durant, Willard Gaspain, Arthur Gasper, Lester Engdahl, John Olson, Frank Gasper, Joseph Watt, Joe Gilmore, Edward Gilmore, Carl Ohlson, Vincent Johnson, John Rose, Arthur Noble, Ray Albertsen, Clayton Lunt, Gordon Lunt, Albert Shaffer, Howard North, and C. Markle.

DERIDES WIFE'S LOOKS; HUSBAND IS STABBED

A short stay in the German Deaconess hospital while two stab wounds in his arm were being treated gave William H. Hunt, 40, automobile salesman, 5525 May st., time to forget and forgive.

Hunt was stabbed by his wife, Anna, following a quarrel in their home Saturday afternoon. In boasting of his ability as a "sheik" Hunt complained to his wife that she was no longer beautiful to him.

Mrs. Hunt picked up a large kitchen knife and plunged it into her husband's arm. Twice she hit her mark and Hunt ran from the house. He went to the German Deaconess hospital for treatment. The hospital authorities notified the Englewood police.

When officers went to take Mrs. Hunt into custody, Hunt, whose injuries were not serious and who had been able to return to his home, refused to sign a charge against her.

"I guess I spoke out of my turn," he told the police. "I had it coming to me."

The Hunts have two small children.

ENGLEFIELD CITIZENS HAVE ALL DAY PICNIC AT BEVERLY HILLS

WURM IS CHAMPION HORSESHOE PLAYER; SINGLE MEN WIN BASEBALL GAME

Over 200 men and their families from the Englefield neighborhood attended the all day picnic given under the auspices of the Englefield Improvement association at Beverly forest preserve Sunday. Among the prizes that were given as awards in the contests were straw hats, bacon, a load of wood, groceries, and other articles of merchandise.

Victor Nicholson, 7630 Marshfield ave., the president of the association, assisted by C. E. Wurm, 7700 Paulina st., had charge of the management of the outing.

Races for all ages and qualifications for both men and women were run off on schedule time. Mr. Wurm took first place in the horseshoe tournament, which was held after the races. Until the last half of the ninth inning of the baseball game between the married and the single men, the married men held the lead, but a sudden rally of the single men in the last inning made a final score of 10 to 9 in favor of the latter.

Among the guests who were in attendance at the picnic was James A. Rae, 8709 Marshfield ave., former alderman of the old thirty-second ward, who was one of the star players in the horseshoe tournament.

SOCIAL AND ORGANIZATION ACTIVITIES

Married at St. Bernard's

Miss Ruth Mary Watts, the daughter of Mrs. Nellie Watts, 342 W. 65th st., and Charles H. Craig, the son of Mr. and Mrs. Patrick Craig, of Chicago Heights, Ill., were married at a high mass at 9 o'clock Wednesday morning, July 23, at St. Bernard's church, 66th st. and Stewart ave., the Rev. Father James Walsh officiating.

The bride was dressed in white georgette trimmed in lace, and wore a long veil held in place by a wreath of orange blossoms. She carried a shower bouquet of white roses and lilies of the valley. Miss Margaret Leo, 22 W. 66th st., who attended the bride, wore yellow georgette, and carried a bouquet of tea roses. Earl Flynn of Auburn Heights attended Mr. Craig. A wedding breakfast for one hundred relatives and friends was given at the bride's home after the ceremony.

Mr. and Mrs. Craig left Wednesday afternoon for a wedding trip in northern Michigan.

Hostess at Five Hundred

Mrs. Polly McLennon entertained a small group of friends at five hundred Monday, July 21, at her home, 143 W. 66th st.

To Banquet National, State Officers

Southtown Auxiliary to Post No. 866, Veterans of Foreign Wars of the U. S., will meet Tuesday evening, August 12, at the Hamilton Park Field house, 72nd st. and Normal blvd. After a short business meeting a banquet will be given in honor of the state deputy, Mrs. Sada Gill and national senior vice-president, Mrs. Effie King, will also be an honored guest. Each year the auxiliary entertains national and state officers.

On August 1 a bunco will be given at the home of Mrs. Maud Sterling, 817 W. 78th st. Proceeds will be used to entertain the veterans at the hospital.

Attend Mother's Birthday Party

Among the thirty-five guests who helped Mrs. Joseph Wester celebrate her seventy-fourth birthday Sunday at Sawyer, Mich., were her sons and daughters, several of whom are Southtown residents. Alfred L. Slee, a son, and Mrs. Slee, 9540 Hoyne ave.; Mr. and Mrs. Edward J. Slee, 6333 Marshfield ave., and children, Edward, jr., Mary, and Grace; Mr. and Mrs. Herbert Slee, 8043 Langley ave., and son, Alfred David; Mr. and Mrs. Frank Heney Slee, 58 W. 74th st., and son, Lloyd; Mrs. George Shaw, a daughter, and Mr. Shaw, 7763 East End ave., were included as well as other relatives.

Mr. and Mrs. C. M. Sells, sons, Robert and Clark, and Mr. and Mrs. Arnold Heeren, 7251 Prairie ave., Charles E. Clark, 6628 Campbell ave., were also guests. Following the family dinner, served at a Sawyer hotel, a ball game between the "in-laws" and "out-laws" was played.

Shower for Eva Ellis

A pretty shower was given for Miss Eva Ellis, daughter of Mrs. Catherine Ellis, 7804 Green st., by about seventy girl friends at Fields' tea room Saturday evening. An array of unusually attractive gifts were tastefully arranged. Supper was served. Miss Ellis is to become the bride in October of Edward S. Miller, son of Mr. and Mrs. Otto Miller, 7940 Green st.,

Memphis Guest Entertained

Mrs. Agnes Carroll, 1746 W. 65th st., entertained Saturday evening for her sister, Mrs. Esther Goodrich of Memphis, Tenn., who is here visiting relatives and friends. The evening was spent in playing five hundred and a delicious luncheon was served.

Also, in honor of Mrs. Goodrich, Mrs. J. E. Foster of Auburn Highlands was hostess at luncheon Thursday.

Fourth Birthday Party

Master Edwin R. Connors, 7415 Morgan st., entertained a large number of relatives and little friends at a birthday party last Tuesday, July 22. The party was given by his parents in honor of his fourth birthday. The table was beautifully decorated in pink and white and each child received a pretty gift from a "grab-bag." Music and songs were provided by radio.

Surprise Bride-to-be

Honoring Miss Alice Ryan, 5547 Lafayette ave., who is to be married in September to Ray Schofield, 4639 Michigan ave., members of the Harmony club entertained a company of fifty at a surprise shower Saturday evening. The guests were received at the home of Mr. and Mrs. Richard I. Neely, 8539 Morgan st. Later in the evening they moved on to the home of Mr. and Mrs. Harry Schofield, 8535 Morgan st., where supper was served at elaborately decorated tables, the centerpiece for one of which was a miniature bridal altar.

Grandfather Gives Bride Away

Miss Elizabeth Maxwell, the daughter of Mrs. E. J. Maxwell, 6833 Union ave., and William Hoffsiss, the son of Mrs. H. Rawle, 7207 Stewart ave., were married at the Emerald Avenue Presbyterian church, Marquette rd. and Emerald ave., at 8 o'clock Wednesday evening, July 23, the Rev. Richard D. Hughes, pastor, officiating.

The bride entered the church on the arm of her grandfather, D. Matheson, 6829 Peoria st. She wore a dress of white flat crepe with a long veil arranged in a coronet, and carried a shower bouquet of white roses and lilies of the valley. She was attended by her sister, Helen, who wore orchid georgette, and carried a bouquet of sunset roses, as maid of honor, and Miss Lorain McGovern, 7357 Wabash ave., as bridesmaid. Miss McGovern wore yellow georgette and carried tea roses. George Smallman, 67th and Bishop sts., and Donald McDairmid, 6720 Union ave., attended Mr. Hoffsiss.

A reception for fifty relatives and friends was given at the church parlors after the ceremony. Mr. and Mrs. Hoffsis left Saturday evening for a trip to Delavan Lake, Wis. They will be at home at 7207 Stewart ave. after August 1.

Out of town guests at the wedding included Mrs. J. Moore and Miss Mary Moore of Three Rivers, Mich., Mrs. F. G. Baumeister, and Miss Georgiana Baumeister of Delavan Lake, Wis.

To Be Luncheon Hostess

Mrs. Eva Miller, 7137 Union ave., will entertain the Pythian Sisters of Englewood Temple 186 at a luncheon in her home at 1 o'clock the afternoon of August 6.

Birthday Surprise Party

The home of Mr. and Mrs. W. H. Ballou, 7602 Green st., was the scene of a surprise party Saturday evening, July 19, honoring the birthday of Mr. Ballou. He was the recipient of a number of gifts.

Twelve couples were entertained at an eight course dinner served by the hostess.

Bunco and dancing furnished entertainment throughout the evening. The women's first prize, six embroidered tea towels, was won by Mrs. H. D. Galloway. The second, a combination bathroom set, went to Mrs. Percy Hickok. For the men, the first prize, a silk knit tie, was won by Frank Regan, and the second, a pair of silk hose, by James Flanigan. The consolation award was given A. Fisher.

Past Matrons and Patrons Entertained

Matrons and patrons club during 1921 of the Auburn Park chapter, Order of Eastern star, were guests Sunday at St. Joseph, Mich., where they spent the day with Dr. and Mrs. Betz. Dr. Betz was president of the club in that year, while a resident of Chicago.

P. J. Reynolds, 6005 Peoria st., claims the distinction of having predicted the fessibility of the three whistle traffic signal recently adopted by the safety commission. In a letter to the "Columbian," the Knights of Columbus weekly, under date of May 30, Mr. Reynolds recommended trial of some such plan as a means of relieving congestion and giving "a minute to the poor pedestrian trying to cross the street." "Possibly it cannot be used, for it is probable that it has been thought of by Mr. Sloan, but I have wished for it many times as several unsuccessful attempts to cross some of Chicago's loop streets were made," wrote Mr. Reynolds.

WOULDN'T RETURN LOST DIAMOND AND ACCEPT $75 REWARD

BUT AFTER PERSUASION OF OFFICER AND ARREST JUDGE SAYS REWARD NOT DUE

Whatever reward Charles Dangelo will get for the return of a carat diamond stickpin to Clay Reynolds, a jeweler located at 7306 Wentworth ave., will not be paid in this world.

It might have been had not Dangelo, who is a street sweeper and lives at 521 W. 80th st., refused to give the gem to Reynolds when he found out to whom it belonged. Reynolds lost the diamond, valued at $300, over three weeks ago in front of his store. He had been out in his automobile and had removed his collar and tie, placing them in the seat. As he got out of the machine he brushed the tie, in which the pin was stuck, into the gutter. Dangelo, sweeping the streets, found it.

He made no attempt to find the owner, it is claimed. Reynolds advertised, offering a $75 reward, but he received no answer. Then Reynolds learned that Dangelo had found it and he went to the latter's home.

However, Dangelo denied having the pin. Reynolds then went to Dangelo's home with the ward committeeman. Then Dangelo admitted he had found the diamond but refused to turn it over to Reynolds even though offered the reward, according to Reynolds' story.

A warrant for the street sweeper's arrest was secured, and Thursday morning Dangelo was brought to the Grand Crossing court. He met Reynolds outside of the courtroom and was willing to return the diamond and pocket the reward.

Reynolds refused, and when Judge Joseph S. LaBuy heard the evidence he ordered Dangelo to give the stickpin to its owner.

"What about my reward?" asked Dangelo.

"You'll get that in heaven," answered Assistant State's Attorney Otto Christopher.

BIBLE SCHOOL PUPILS WILL GIVE PROGRAM

A demonstration meeting showing the work that was completed during the four weeks vacation Bible school, held at the Augsburg English Evangelical Lutheran church, 73rd st. and Wabash ave., will be given at the church Wednesday evening, July 30. Bible drills, singing, memory work, story telling, and a large display of handwork will make up the entertainment for the parents and friends of the children enrolled in the school.

Requests for a continuance of the Vacation Bible school had to be disregarded since the Rev. George E. Sheffer, pastor of the church, and the members of the congregation assisting with the work had plans for only a four week term. The enrollment for the school was eighty.

NATIONAL THEATRE TO OPEN WITH BURLESQUE

High class traveling burlesque shows of the type that played the Englewood theater for eleven years will be seen at the National theater next season, beginning Sunday matinee, August 24. E. T. Beatty, who formerly operated the Englewood theater, will be at the National when it inaugurates its new policy of giving "big wheel" traveling burlesque shows.

During the season there will be thirty-eight different companies of from thirty-five to forty performers.

There will be women's matinees daily, according to announcements.

ENROLLMENT GROWS FOR SEWING CLASS

Registration in the girls' sewing class at Ogden park is increasing among children of the neighborhood. Others wishing to enter may do so by enrolling with either of the women instructors in charge of the work. The class meets every Tuesday and Thursday afternoon at 2:30 o'clock in the children's playground.

HOPE CHURCH WINS EIGHTH STRAIGHT GAME

Raschke Fans Two When Oak Parkers Threaten to Tie in Ninth

Hope won its eighth successive victory in the Lutheran Church league race at Oak Park Sunday by nosing out Christ church of the western suburb to the tune of 4 to 3.

The support accorded Raschke was erratic, errors by Gareiss and Rempert aiding the Oak Parkers to get men on base in the seventh and ninth innings which were followed by timely hits to register three runs.

Hope's slender lead was threatened in the ninth after two runs had been scored and Drowbrau was on second with only one out. Raschke proved equal to the occasion by retiring the next two men on strikes.

Hope secured the first run in the second inning. After Martin flied out, Smith hit safely. Raschke flied out and Smith stole second. Boese drew four balls and Rempert hit to bring Smith in.

Two runs came in for the winners in the fourth. Martin started things off better this time, making a hit and stealing second. Smith struck out. Raschke drove the ball out to deep center for an easy two bagger but he failed to touch first and had barely time to return to the initial sack before the ball was relayed back. Martin scored on this hit. Raschke stole both second and third and scored on an overthrow at home.

The fourth run was made by Gareiss, who, after singling and stealing second, was shoved in by Gehrke's long drive into left field.

Wangerow took the fielding honors by handling seven difficult chances at short without an error.

GAMBON, ANDERSON WIN IN TENNIS MEET

In the South Park tennis tournament Saturday John Gambon, playing at Ogden park along with John Gilmore and Carl Anderson in the south division, defeated Jones of Hamilton park 6-3, 9-7. His other scores were 6-0, 6-2 against Lapett of Bessemer; 8-6, 6-4 against Linroth of Hamilton park; and 6-4, 6-1 against Carrier of Hamilton park.

Anderson also won against Hamilton park's players, defeating Camp 6-0, 6-1; H. Hollenbeck, 8-6, 2-6, 6-4; Lamb, 6-1, 6-2; and Peecher, 6-4, 1-6, 6-2. He meets Miller of Hamilton park Wednesday evening of this week to compete for place in the finals which will be played Saturday afternoon at Ogden.

At the north division tournament at Hardin square, seventeen of Ogden's eighteen entries won their way through the first round. H. J. Mitchell of Ogden won his way into the finals by defeating Richard Parker of the same park.

Talk about Atlantic City—but we weren't! Don't need to go further than the Sherman park pool where, last Saturday afternoon, South Park's feminine swimmers assembled for their annual meet to find this array of bathing suit pulchritude. All the fancy divers obligingly linde up like this to let the Economist photographer have a shot.

ENGLEWOOD PLAYS FOR CHAMPIONSHIP OF POLICE LEAGUE

TO MEET AUSTIN, WEST SIDE TITLE HOLDER, IN OPENING FRAY

Englewood station nine, winners of the championship in the south section of the Policemen's league, will begin a playoff for the city title Wednesday by meeting Austin, west section title holders, at Pyott park, Kilpatrick ave. and Lake st.

Shakespeare ave. team of the north side drew a bye when the plans for the finals were arranged, but will swing into action the following week against the loser of the Englewood-Austin clash.

The way the teams stack up indicates that Englewood will win the opening game and if such should be the case Austin will take on Shakesepare. In the event that Shakespeare is also able to hand Austin a trouncing the north siders will then meet Englewood. However, should Austin nip Shakespeare, Englewood will become champion without further games.

Although Englewood has visions of annexing the title by playing only one game, the strength of the other nines makes it seem quite probable that a second game will have to be staged. This second game, which will decide the championship, will be played on a south side diamond, and Sergt. Michael Mulvey, coach of the Englewood squad, will probably arrange to take over either White City park or the Normals park for the day.

LARSON'S MUFF COSTS GRAND CROSSINGS TILT WITH KAY BEES

BASES PACKED AND ERROR LETS THREE RUNS COME IN

With the bases full and two out in the fifth inning, Centerfielder Larson muffed a fly and handed the Kay-Bees the three runs needed to give them a 6 to 3 win over the Grand Crossings at White Giants park Sunday.

This costly error, caused by the sun in Larson's eyes, rounded out the Kay-Bees' five run rally and although Harper held them scoreless for the remaining four innings, enough damage had been done. The Grand Crossings poled out nine hits, two more than their opponents, but this nine was kept well scattered.

A foul tip that caromed off the bat of one of the Kay-Bees splintered the thumb of Schneider, the Crossings star back stop, and will probably keep him out of the lineup for the balance of the season.

"ADA" AND "VIOLET" WIN YACHT REGATTA

Winners in the second open regatta of the Ogden Park Model Yacht club held Sunday were "Ada," sailed by George Baron, and second, "Marquette," sailed by Joseph Stanton, in the 30-inch water-line class. In the 40-inch water-line class John Johnston's "Violet" was first, with "Blue Bell," sailed by Robert White sr., second.

Several new boats are added to the club every time a regatta is held. Some of the latest ones to come in indicate that the club has ceased to be entirely a local organization, but is drawing members from all over the city. New enrollments are C. M. Briggs, 316 Normal pkwy.; Joseph Stanton, 2026 W. 67th pl.; Donald Wilson, 5239 Kenwood ave., and Winifred Cook, 3330 Sheridan rd.

LORIMER FORFEITS GAME TO GRESHAM

Failure of the Lorimer Baptists to put in an appearance for a game with Gresham M. E. at the latter's grounds, 89th and Halsted sts., Saturday for a Church league game, caused a forfeiture of the tilt to the locals, 9 to 0. The forfeiture practically cinched the title in the south section of the race for Gresham and even should they win every one of their remaining four games the runnerup in the section could do no better than tie with them.

Gresham's next game will be against the Third Reformed nine Saturday at Palmer park.

HERE ARE HAMILTON PARK'S SUMMER INSTRUCTORS

DREXEL WINS BOTH ENDS OF DOUBLE BILL

Drexel A. C. won both ends of a double header at Washington park Sunday, nosing out the Consumers store nine, 6 to 5, in the first half and taking the heavy end of a 15 to 10 count in a slugfest with the Washington Park Braves.

Hinsberger went the full route in both games for the Drexels and ran his record of wins to five straight. The second game was featured by Larkin's spectacular work in left field.

Ralph, the Braves mound choice, was wild during the first two innings and the five walks he gave during this session, mixed in with some timely hits, netted the Drexels eight runs.

Score of Drexel-Braves game:

HAMILTON PARK WINS TENNIS CHAMPIONSHIP

Finals for the South Parks senior girls' tennis championship were played at Ogden park Saturday afternoon. Winners were Eva Claire Holbrook of Hamilton park, first; Eileen Wall, Ogden park, second, and Mildred Hubbell, Hardin square, third.

Finals for the men's tennis championship will be played at 3:30 o'clock the afternoon of August 2 at Ogden park. There were ninety men in the preliminaries, four of whom will play in the finals. Of that number three are Ogden park players.

WOODLAWN TAKES 7 TO 2 DECISION FROM CHRISTIANS

LOSER TO MEET NORMAL PARK M. E. NINE SATURDAY AT HAMILTON

Pounding the offerings of Valiquet for thirteen hits, Woodlawn Baptists won a 7 to 2 decision from the Englewood Christians in a Church league fray at Jackson park Sunday.

Every member of the Woodlawn squad got at least one hit and Tatts led the list with three. Shideler and Carley collected four of Englewood's seven blows.

Englewood will make a hard attempt to break their jinx next Saturday at Hamilton park when they meet the Normal Park M. E. nine.

MURRAY GIVES TWO HITS; TRIANGLES WIN

With Murray allowing the Liberty A. C. only two hits and walking only three, the Englewood Triangles had an easy time winning by a 6 to 2 count at Ogden park Sunday.

Poor support given to Hoppy by the Libertys, who committed eight errors, was largely responsible for the defeat. Every one of the six hits he gave the Triangles were converted into runs.

Three double plays were completed by the Triangles combination of Ward to Conroy to Ohlenger. Ward and Hans each contributed triples, the former's coming with two men on the sacks.

LOCAL PARKS PREPARE FOR CITY OLYMPICS

Athletic directors from the parks included in the Woodlawn division met at Hamilton park Monday afternoon to prepare for the district tournament from which the champions will compete in the Chicago playground Olympic games, which will be held Saturday and Sunday, August 16 and 17. Track and field events will be held at Stagg field at 2 o'clock Saturday afternoon, while swimming and diving will be at 2 o'clock Sunday afternoon at the Municipal Pier, and a roller skating tournament will be held at 10:30 o'clock Saturday morning at Grant park.

A district tournament, preliminary to the city meet, will be held at Ogden park Saturday afternoon, August 9. Parks taking part in the district tournament include Hamilton, Auburn, Fiske playground, McCosh and Grand Crossing. The swimming events will be held some evening during the week of the tournament. Final arrangements for the location of the water contests have not yet been made.

Three groups will contest in both the local and the city tournaments: the seniors, over 17 years; juniors, under 14, and the intermediates, between 14 and 17 years.

Out of the Rough

By Fred S. Clisbee

ARTICLE 24

The golf swing is not intricate as most golfers believe but is made and controlled by very simple movements of the body and arms. This action of the arms and body can be attained by anyone who is conversant with and will adhere to, the fundamentals of the golf stroke.

The golf swing has survived and remains the same since the game's infancy while everything else has been changed more or less. Therefore, any golfer can safely consider the golf swing as permanent and devote his efforts toward developing it to the highest degree.

In last week's article I told of the first fundamental of the golf stroke along with a plan of developing it which I have found to be most satisfactory. This, in substance, covered making the swing smooth without moving the head. After this step has been accomplished satisfactorily you are ready to take up the next fundamental—the call for the locating and adjusting of the bottom of your swing. The swing of club causes the club head to make a complete circle. Now this circle has a bottom, placed where the club head reaches its low point in making the downward part of the swing.

A topped or low ball, also the club head digging in the ground back of the ball, is caused by the club head reaching its low point at a place back of where the ball rests.

This act can be traced to many causes, one time to this and another time to that, and you will never really know which until you have a thorough understanding of the fundamentals. If you have practiced the swing to a point where the head remains still and smoothness prevails you are in a position to locate the low point of the swing and where it comes.

Take your stance and address some object that will represent a ball and make this swing which has developed through keeping the head still. With a slight thought of still keeping the head still, swing your club and observe how close the club head is delivered by this swing at its low point in relation to the mark. Without making any undue effort to correct any difference you may observe, continue on with the natural swinging practice. I want you to check up on yourself as you go along and know your natural swing. Does your club head reach its low point quite a way back of the mark or does it reach it right on the mark and carry through low for a short distance? Does it come right up into the upper part of the arch when the mark is reached or does it turn sharply to the left when reaching the mark? These are things you should check yourself up on in order to know what your natural swing will do for you. The only thing asked of you that may not be natural is the holding of the head still during the swing but it is absolutely essential that this be done to make this observation of the low point of your swing worth anything. My next article will advise you how to obtain the benefit from the check up you have made of your swing.

PARMELEE WINS NET TITLE IN PARKS MEET

In the final play for the city parks tennis tournament held at Hamilton park, 72nd st. and Normal ave., last Sunday afternoon, R. Brown and C. Lejeck, both from the Hamilton park neighborhood, won the doubles, while H. Parmelee from Hamilton won the singles.

North parks in the city sent no representatives, while the west parks ran through to the finals. An unusual circumstance of the tournament was the fact that the final scores for both the singles and doubles matches were identical. They were: 2-6, 6-3, 6-1, and 6-2.

R. Brown and C. Lejeck in doubles, and H. Parmelee in singles will represent Chicago in the second annual National Municipal Tennis tournament, which will be held at Detroit, Mich., August 6 to 9.

LITHOGRAPHERS LOSE 1ST TILT IN 21 STARTS

Cuneo-Henneberry Gets 7-6 Decision in Eleven Innings

Goes Lithographers lost their first game in twenty-one starts Saturday to the Cuneo-Henneberry nine. The combat went eleven innings on the Sears-Roebuck field before the Cuneo crowd emerged victorious, 7 to 6.

Peterson, pitching for Goes, allowed only one hit in the first seven innings, but weakened in the eighth and ninth frames. Two markers came across the plate in the eighth and Palka's homer in the ninth ran the total for that frame to four and deadlocked the teams.

With the bases full and none out, Paul Moss was rushed to the mound and retired the side without being scored upon, striking out two and catching the third man sleeping off third base.

Neuzil came in with the winning run for Cuneo. He reached third in the eleventh, and Cesal rolled out a short one to the third baseman. He fielded the ball but his throw to Hummer at home was not so good and it took a bad bounce. Hummer got the ball but was forced to lunge to one side of the plate and he missed tagging his man.

Goes .....005 010 000 00—6
Cuneo-Henneberry ..000 000 024 01—7

Goes had only one game left on their schedule in their division of the Industrial league and this will be played off next Saturday with the Greer Motors at Washington park. Cuneo, which holds second place to the Goes nine, have three games left on their schedule but should Goes win their remaining game they have the title cinched even though Cuneo should make a clean sweep.

GIRLS IN PLAYGROUND BALL PARK FINALS

Girls of Ogden park will compete for the South Park championship in playground ball this week, while the boys' 125-pound team enters second round of preliminary games.

The limited girls' team is scheduled for games Monday, Wednesday and Friday afternoons at 3:30 o'clock at Grand Crossing park, 76th st. and Ingleside ave. Russell square's team is the other contender for the championship. Ogden's team won its way into the finals Friday through a forfeiture game scheduled with Cornell square.

Ogden boys of the 125-pound playground ball team won the first round in the South Park championship race with a forfeiture game from Mark White square, supposed to have been played Saturday at Davis square. Their next game will be played this week against Cornell square at Davis square.

HAMILTON PARK HAS JACK STONE PRACTICE

Now the girls and boys in the South Parks are playing jack stones. Every day groups of children at local parks run off scores in preparation for the district tournament, which will be held at Ogden park Wednesday, August 6, for all children under 15 years of age. Winners from the district tournament will go into the city meet.

Ratings of girls for the badge tests for the summer are being made each day at Hamilton park. Tryouts in the 50-yard dash, broad jump, high jump and the travel on the ring, are made with an exact account of distance and time. Records from individual parks are then turned in to the South Parks offices for the gold, silver and bronze badges that are given out to champions at the various parks.

Ogden Girls at Top in Parks' Swimming Meet

—Economist Photo

Agnes Spiedel of Ogden park was accorded first honors in the girls' wimming meet.

Girl swimmers of the South Parks system competed Saturday afternoon in the Sherman park pool for championship medals of gold, silver and bronze, Ogden park winning first place in the senior events with 17 points and Mark White park taking first honors in the junior contest with 12 points.

Miss Agnes Spiedel of Ogden was a star entrant and helped her park pile up points for the top place. There were twenty-two entries for the senior, and forty-four for the junior events. H. W. Graef, director of athletics for the South Parks, had charge of the meet.

Scores of the various parks were: senior meet, first, Ogden, 17 points; second, Palmer square, 12 points; third and fourth, a tie, Cornell and Davis square, 11 points each; fifth and sixth, a tie, Calumet and McKinley, 8 points each; seventh and eighth, a tie, Sherman and Palmer, 6 points each; and ninth, a tie, Armitage square and Lyman Trumbull 1 point each; junior meet, Mark White, first, 12 points; Lyman Trumbull, second, 10 points; Bessemer, third, 7 points; fourth and fifth, a tie, Cornell and Davis square, 6 points; sixth, a tie, Russell and Grand Crossing, 3 points each; seventh, McKinley, 1 point.

Winners of the senior contests were: 50-yard swim, Miss Helen Gerber, McKinley park, 48 seconds; 80-foot back swim, Miss Agnes Spiedel, Ogden, 21 seconds; 100-yard swim, Miss Agnes Spiedel, Ogden, 1 minute, 31 seconds; 50-yard breast stroke, Miss Hattie Norbutt, Davis square, 46 seconds; fancy dive, Miss Lenaya Peterson.

Junior contest winners were: 50-yard swim, Miss Elsie Nickman, Mark White, time, 43 seconds; 80-foot back swim, Miss Minnie Patton, Lyman Trumbull, 23 seconds; and fancy diving, a tie, Miss Loral Hull of Bessemer park, and Miss Anna Jurkovic, Cornell.

SPARKLERS-DREXELS TO STAGE PRELIMINARY

Another doubleheader will be offered fans at White Giants park, 74th and Aberdeen sts., Sunday. As a preliminary to the Grand Crossings Inter-City league game with the White Stars, two strong sand lot nines will hook up. The first game is slated to start at 1 o'clock sharp. Kehoe and Murphy will be on the mound for the Sparklers and Hinsberger and Bolger will take care of the Drexel's battery work.

Movers, Holidays, Dates and All That Stack Up Work for Girls at Telephone Switchboard

Opinions differ as to whether it is cheaper to move than to pay rent. At any rate, May still remains the nationally acknowledged month of movers and brings with it the heaviest business of the year for the telephone exchanges, says Miss Mary O'Brien, chief operator at the Stewart and Eggleston exchanges, 6550 Eggleston ave.

Not so much difference is noted in the amount of traffic in October. Other busy times are the Christmas season, New Years Eve, and all holidays. Traffic is heaviest between 7 and 8 o'clock in the evening because social calls are much longer than those which are made during the day for commercial purposes.

Adoption of daylight savings time postponed this busy hour until 8 to 9 o'clock for several weeks, until people became accustomed to the new order. The morning period, 8:30 to 9:30, ordinarily the most rushed, was also moved forward one hour during the first few weeks under the changed time. The opening of school and September brings another busy season. Gas and electric companies must be notified when families move, and friends are called to be given the new phone numbers. All this causes extra work for the operator, and results in severe trials of her patience when subscribers become discourteous over delays in getting connections.

Not So Nerve Wrecking

Contrary to the opinion of the general public, telephone operators require no greater amount of patience than do workers in other lines, declared Mrs. Emma Shorley of the Stewart exchange. Of course, unkind words are resented, but some unpleasantness must be expected in life, the operators philosophize. The operator's reaction to a harsh voice is instant—she visualizes the speaker as a cruel, hard-faced individual. On the other hand, the pleasant voice arouses thoughts of sweet faced women and handsome men. Though such conclusions are often deceptive, it is this stimulus to the imagination which explains in a great measure the fascination which the work holds, and which brings girls back to the switchboard after trying other employment or marrying.

"The operator's work is much more interesting than ordinary clerical work," Miss Sophie Andrezak has found, though she likes her new position in the office of the district manager, E. W. Stubbs. Office work at the exchange is so closely related to that of the operators that she finds the same pleasure in her new duties. Besides, the young woman explains, she still enjoys the same association with the girls of the office, still works in a modern, well equipped building, and has the advantages of the cafeteria, rest room, and the recreation room, as well as the promise of regular advancement in salary according to the length of service.

Must Enunciate Broadly

Have you noticed the operator repeating your call as "three nyen—five four," with a rising inflection on the four, and the other numbers pronounced very broadly? She is simply following instructions received during the three weeks' training period through which all operators pass.

Nine is pronounced "nyen" to distinguish it from five, and the rising inflection suggests the question, "Is that correct, subscriber?" Tests are made of the student's hearing and enunciation, and she is taught positions on practice switchboards, so that after some time in the work she can find a number without more than a glance. The division of the number facilitates making the call, as the first two numbers give the key position on the board.

Numbers are, of course, duplicated on several boards, so that in busy hours as many as five girls can get each call, assuring prompt service to the subscriber, and relieving girls from the danger of overwork. Girls on the day shifts work seven and one-half hours, with a fifteen minute rest period during the morning and another in the afternoon.

Triangle exchange is now being added to the Eggleston ave. office, the "B" boards being already in operation, and the "A" boards being installed. This will increase the number of operators at the building. Phonograph records are furnished by the telephone company, and a piano is also at the disposal of the girls for their recreation minutes as well as the occasional parties which are given.

MISSION WORKERS RETURN AFTER TWO YEARS IN AFRICA

SPENDING VACATION WITH ENGLEWOOD AND AUBURN PARK RELATIVES

After two years of labor in the mission field of the United Lutheran church in Liberia, Africa, Mr. and Mrs. Edgar D. Ireland have returned to their home, 7430 Union ave., for a six months' leave of absence. They were accompanied by their little son, Edgar George, who was only six months old when his parents sailed from New York on June 20, 1922.

In Liberia Mr. Ireland had charge of the construction of a concrete building, a combination school and chapel, fifteen miles from Monrovia. A physician's residence and laboratory, a home for the Irelands, and a missionary's home at Kpolopele were four othe structures built under his direction. The fact that this latter post is eighty miles in the interior complicated matters, necessitating that tools and materials, with the exception of lumber, be transported on the backs of natives, through land unbroken by roads. River transportation is available to a point within two miles of the main station facilitating the work at that place. It will be completed late this year.

Sixty to eighty men were employed in the construction of the building at the main station, few of whom could speak English. Even with the assistance of a foreman who acted as interpreter the work went forward slowly because of the lack of trained laborers. Mr. Ireland often was compelled to tear down and reconstruct parts of the buildings which were improperly erected.

Though small in comparison to American wages, the earnings of the natives are comparatively high, considering their primitive mode of living and low expenses. Clay houses are their homes, except in the cases of the more highly civilized people along the coast who have come into contact with Europeans and are called Liberians rather than natives. The United Lutheran mission board has conducted work among these people for sixty years, and now has five stations, which have contributed toward the gradual development of the country. In an effort to teach better housekeeping methods and promote more healthful home conditions, Mrs. Ireland taught cooking and hygeine to a number of women, conducting her classes in the Ireland home.

Mrs. A. Ireland, 7430 Union ave., is the mother of the young mission worker and former Englewood high school student. His wife, who before her marriage was Miss Martha Truesdale, is the daughter of Mr. and Mrs. William Truesdale, 8019 Laflin st.

During their stay in Africa, as well as on the return trip since they sailed June 16, the Ireland family have enjoyed excellent health. Mr. Ireland hopes to return to his field.

COUNTY FAIR AUGUST 27-31 AT PALATINE

At this year's Cook county fair, which will be held at Palatine, Ill., August 27, 28, 29, 30, 31, and September 1, the farmer may learn by actual observation of the newest devices and improvements in agricultural implements, their use and benefits and in what way they assist in soil cultivation, in plant growth, in sowing, in harvesting, threshing, etc. He will be apprised of the economic value of more modern machinery, of motor power and of the many modern methods instituted since last year's fair.

The city dweller will be furnished a vivid picture of the agricultural resources of this wonderful community. He will learn about the fertility of the soil in Cook county and will see specimens that will prove astonishing; likewise he will learn of what is being done to increase the farm and garden yield of his own home county.

The county fair is an educational clearing house—an agricultural and industrial institute for residents of both the city and country. It is a short course to better farming, and provides practical pointers of great value to the city folks and enables them to come in actual contact with the real producers of most of life's necessities.

Making It Easy

The deputy warden of the penitentiary was looking over the new arrivals. Among them was a tall, forlorn-looking gentleman of color who seemed to take it very hard, sighing so deeply that the deputy asked:

"What's the matter, boy?"

"Mah sentence, suh!" was the mournful reply. "Ah, cain't do all this heah time the jege done gib me!"

"How much are you doing?" inquired the deputy.

"Life!" exclaimed the new arrivel.

"Well," remarked the deputy, not unkindly, "just do what you can of it."—Everybody's Magazine.

HEREIN PROVEN THAT NEIGHBORLY QUARRELS DON'T LIVE OVER NIGHT

COURT IN ENGLEWOOD, BACK YARDS THERE SAW FIGHTS—NOW GRAND CROSSING HAS 'EM

When the Englewood court was open the scene of most of the "clothesline fights," the neighborly troubles that were officially aired in court, was Englewood. Now that the courtroom has been moved to the Grand Crossing station, strange as it may seem, the backyard combats which become so violent that they must be arbitrated by law seem all to have shifted to the Woodlawn, Grand Crossing and Burnside districts.

This is not because Englewood people have forgotten the enmity that arises occasionally between them and the folk that live on the other side of the fence but because it takes a little more time and is a little more inconvenient for them to procure a warrant for their neighbors' arrests.

Every morning at least a couple of indignant and angry housewives come into the Englewood station and demand a warrant.

"Court isn't held here any more," the desk sergeant tells them. "You'll have to go to the Grand Crossing station.

"Where is that?" they ask.

"Over at 75th and Maryland," the sergeant answers, and then, glancing at the clock, adds, "You had better wait until tomorrow morning. The judge will have left by the time you get there."

They go home and, in nine cases out of ten, the warrant is never asked for. A day to think it over and a night's sleep usually cool their ire.

Seems nothing more than a proof to a variation on the wise advise to count ten before you speak when angry.

MEXICAN CHILDREN ENROLL AT AUBURN PARK SUMMER SCHOOL

ROCK ISLAND FURNISHES TRANSPORTATION FROM GREEN ST. CAMP

American, both as to birth and hair cut, is little Genevieve Vascas, black-eyed Spanish beauty of the kindergarten class at the Auburn Park Federated Church's Vacation Bible school. With her two older sisters, Victoria, 7, and Alice, 9, and Carmen and Elvira Perez, the child makes the daily trip to the school from her home in the Mexican camp at 90th and Green sts.

The Rock Island railroad, for whom the fathers of the children work, furnishes transportation, and at first sent eight youngsters to the vacation school. Soon the boys tired of the routine, leaving only the five girls as regular attendants.

Their interest in the school is due largely to the efforts of Mrs. Janetta G. Woodward, 8748 Emerald ave., supervisor of the vacation classes and instructor at the Sunday afternoon school conducted at the camp by the Auburn Park church. Twelve Mexican children are enrolled in this Sunday school, which meets at the home of Mrs. Marguerite Gonzalez, 9015 Green st. In addition to the work with the children, Mrs. Woodward labors with the mothers, teaching them English. She is assisted by Mrs. A. H. Krummel, 7510 Eggleston ave. Instructions in the language have been carried on in the Mexican women's homes for about six months.

Friday noon, when the vacation school pupils left for a boat excursion to the Municipal pier, Victoria Vascas was the only Mexican girl absent. Although she has never taken a boat ride, having come to the United States five years ago by rail, she was afraid of the trip, Alice explained to the teachers. The older sister, herself, was thrilled with anticipation of the pleasures of the ride as one of the fine things she has enjoyed in this country. America she loves, and, though she can remember little of her former home, she declares stoutly that she does not wish to return. Her parents, too, like the home of their adoption, she says. Alice, who is 9, "going on 10," will be in the fifth grade at the Ryder school next fall, where she and the other children of the camp attend classes.

That the dark-skinned little girls have made themselves popular with the other children of the summer school is attested to by the instructors. Classes will continue until August 1, when parents of the pupils will be invited to attend an open session, viewing the handiwork of their youngsters.

August Fur Sales of Newest Fall Modes

You Are Cordially Invited to Visit Our Wonderful Display of

FUR COATS JACQUETTES and NECK PIECES

Each garment is a creation in itself and can be purchased during the August Fur Sale at reduced prices. We suggest that you make your selection early—a small deposit will hold any garment. Repairing and remodeling at great reductions during August.

HOT WEATHER HINTS II

When I wrote last week's article it was cool and comfortable, but just as I prophesied, by the time it was printed the temperature had soared to a point which causes all sorts of discomfort and even prostrations. I will continue my hot weather talk and if by the time you read it cool weather is again with us just keep it in mind for the next heat wave.

Next to foot-troubles from the heat, I believe the greatest disturbances are of the stomach. There are many people who, from the first warm day, experience a sort of nausea and sickness which does not leave them until the weather cools. Of course, any one whose occupation requires that they be exposed to the sun is bound to suffer in this way—but if you don't absolutely have to be out, do not venture forth unduly especially *in the heat of the mid-day sun.* This sun will not only cause nausea but will *bring on* headaches as well.

Then, too, you must watch your diet in hot weather. Eliminate all heavy foods which contain an abundance of protein. *Protein makes heat* and energy and will cause you many ills if your menu contains an overabundance of it. Eat plentifully of fruits and vegetables. Instead of meat and potatoes or eggs eat a fruit salad or a fish salad as the main course in your dinner. The other day when the thermometer registered 96 degrees I saw a gal near me in the restaurant order baked beans, mashed potatoes, bread and butter, and doughnuts for dessert. Every single item was composed of protein and fat—the very worst things to take in hot weather. An ideal luncheon would have been green vegetable salad, brown bread, and half a cantaloupe for dessert.

Do not partake too freely of iced water and other iced drinks—they will upset your digestive apparatus dreadfully. And, too, if you drink much cold liquid and then go out into the sun, you are more susceptible to sunstroke. Drink your beverages cooled but not iced

It is hardly necessary for me to mention it, but cleanliness is more important in summer than at any other time. It is only following the golden rule to be very fastidious, in hot weather, about the cleanliness of your person because you alone do not suffer but you inflict suffering upon those with whom you come in contact. There is nothing more unpleasant than the odor of perspiration, especially in crowded places or in close quarters like offices where many people are thrown together for many hours at a stretch. I do not insinuate that people do not bathe frequently in warm weather—we do that instinctively for our own comfort; but it isn't our bodies always that *send forth odors,* it is our clothing which is not scrupulously clean.

Make it a rule to change all your clothing every day. To do this have two pairs of shoes and alternate them; this is real economy in the long run. Then if you cannot afford to own a large supply of underclothing and stockings you can at least rinse them out at night so as to have them fresh and clean for the next day's wear.

If your outer apparel is unwashable then the thing to do is to hang it some place where it will air well all night. *Never take off a garment and* hang it directly in a closet for in that way the perspiration odor will stay with it and it will be necessary to have it cleaned in order to freshen it.

If you perspire excessively, procure a bottle of twenty-five per cent aluminum chloride in distilled water, at the drug store, and use it once or twice a week under the arms and on the feet—the sources of the trouble.

My last bit of advice is to stop thinking about the heat. Keep busy and you won't notice it nearly so *much as you do when you have nothing to occupy your mind.*

ABSOLVE E. ECKELS FROM MURDER CHARGE

Refusing to rehear the evidence on which the coroner's jury had exonerated Ernest Eckels, 6211 Wentworth ave., from all criminal responsibility in connection with the shooting of Benjamin Heckelthorn, also known as Lee Heck, Judge Joseph S. LaBuy, in the Grand Crossing court Friday, dismissed murder charges against him.

The court asked police officers who made the arrests following in the fatal shooting in the *rooming house* owned by Eckels whether or not they had obtained any new witnesses that had not testified before the coroner's jury. The officers stated they had not.

"In my seventeen years on the bench I have had but one case where my judgment disagreed with that of the coroner's jury," Judge LaBuy stated, "and in that one case, when it went before the grand jury, they discharged the defendant. Since there is no new evidence that would tend to show the shooting was other than in self defense, there is no need to hear all the evidence again."

By agreement with Assistant State's Attorney Otto Christopher the case was nolle prossed. Mary Bailey common law wife of Heckelthorn, who was held on disorderly conduct charges as a witness was also discharged.

WAITING FOR TRAIN, OVERCOME BY HEAT

Harry Brag, 24 years old, a clerk living at 6109 Normal ave., was Southtown's first victim of the heat. Brag was overcome while waiting for a train at 63rd st. Wednesday afternoon of last week. He was taken to St. Bernard's hospital by the police.

900 TEACHERS TAKE JUNIOR HIGH QUIZ

Examinations for junior high school positions were taken Saturday at Lindblom high school by nearly 900 teachers. Only 125 intermediate school positions will be open in the fall when experimental junior highs are opened at Harper, Parker, Sabin, Herzl and Wendell Phillips.

Courses in junior high school work have been offered this summer at the Chicago Normal college.

SUMMER READING AT HAMILTON LIBRARY

Some people contend that their reading tastes during the summer months are not different from those of the winter—that a good book is good, no matter how warm or cold the weather may be.

This is true to a certain extent, but *there are several kinds and degrees* of good books, and those that please a person's taste in February might tire him in July. Summer reading does not always mean light reading, as many people have more leisure during the summer and read the books they have been forced to neglect during the busy winter months.

To those who are tired of their literary diet, the Hamilton Park branch of the Chicago public library suggests the following titles, with the assurance that some of them will please all tastes:

Samuel Hopkins Adams, "Success," a newspaper story; Mary Raymond Shipman Andrews, "The Eternal Feminine," clever short stories to pick up at odd moments; Mary Annette Armin, "Enchanted April," a charming story of some English ladies and an Italian villa; Irving Bacheller, "Man for the Ages," an engrossing story of Abraham Lincoln; E. F. Benson, "Miss Mapp," a quiet story of English small town life; Henry Bordeaux, "The Fear of Living," a beautiful translation from the French for thoughtful readers; Heyward Broun, "The Boy Grew Older," the story of the son of a sporting editor and a Spanish dancer; John Buchan, "Greenmantle," a thrilling adventure tale, woven about the world war; Winston Churchill, "Coniston," a story of American politics, when "lobbying" was practiced openly; Walter De LaMare, "Memoirs of a Midget," a delightful account of the life and adventures of a very tiny person; Jeffery Farnol, "Black Bartlemey's Treasure," a story for those who enjoy pirate tales; Joseph Hergesheimer, "Linda Condon," a remarkably well written story of a beautiful woman; Archibald Marshall, "Watermeads," quietly humorous, but entertaining story of English country life; Emmunka Orczy, "Man in Bronze," exciting mystery story of the time of the first Napoleon.

OGDEN AGAIN BESTS HORSESHOE PITCHERS

By defeating the Northwest Horseshoe club Sunday by a score of 1,137 to 817 on that team's home courts, the Ogden Park Horseshoe club upheld its victory of the week previous in a dual meet with the same team. Ogden's team personnel was entirely different from that of the first game, because of the fact that the park is able to send out four five-man teams at one time, each group being practically equal in strength.

Paul Bejeck was high point man for the local team with a total of 250 points. Bejeck pitched a flashy game, making a total of 79 single ringers and 23 double ringers. Bob Miller also scored 250 points for the Ogden men, pitching 66 single ringers and 7 double ringers. The high point man of the north siders was Roland, with a score of 239, 72 single ringers, and 11 double ringers.

Scores of the other local men were, 203 for Frank Brady, who made 55 single and 7 double ringers; Victor Henry, 231, 57 single and 9 double ringers; Joe Piesko, 203, 57 single and 7 double ringers.

A large group of supporters accompanied the local team.

CALUMET PRINCIPAL'S WIFE LEADS WORK FOR FOREIGN BORN

MRS. GRANT BEEBE ORGANIZES VOLUNTEER TEACHERS FOR SMALL CLASSES

Educational work is a field in which Mrs. Grant Beebe, wife of the man who has been principal of Calumet high school for the past eleven years, also is interested. She is active in organizing instructors for the teaching of the adult foreign born.

Mrs. Grant Beebe

"We have found a ready response from that element," said Mrs. Beebe in an interview Monday. "The foreign born with whom we come in contact are wonderfully willing and eager to learn and appreciate the advantage given them to better themselves."

She has organized a corps of fifty-six volunteer workers, many of them married women with home responsibilities, who have been receiving training from Miss Frances Wetmore in the teaching of Americanization work to the foreign born. Classes in charge of the volunteer instructors will be conducted next year during the daytime in social centers, community buildings and in schools. The school board pays teachers to take charge of classes of twenty, but groups under that number must be turned over to volunteer unpaid workers.

Mrs. Beebe expects a large enrollment in the Americanization classes from among scrub women, elevator men, and others who work nights, but desire a better education.

Mrs. Beebe has had considerable experience in the past in training classes of other women for the education of the adult foreign born. She is a prominent club worker and completed in April her third year as chairman of education of the Second district of the Illinois Federation of Women's clubs and was elected early in June chairman of education for the state organization. Mr. and Mrs. Beebe make their home at 7211 Ridgeland ave. They have one son, Horace, connected with the Reo Automobile company, who is a graduate of Senn high school.

MARQUETTE PARK'S IMPROVEMENTS TO BE FINISHED DECEMBER 1

CONTRACTOR ADDS NIGHT FORCE TO HASTEN COMPLETION OF WORK

Completion of the excavating and grading work at Marquette Park, 67th st. and Kedzie ave., by the last of November is promised by Frank J. McCaughey, contractor in charge of the project. An extra force of workmen has been placed on the job at nights, beginning this week, in order to accomplish this end.

A nine-hole golf course will be ready for seeding within a month, Engineer Ernest S. Martin, of the South Park board, predicts. The complete course will be finished in November along with the lagoon, 75 per cent of which is now excavated. An amount of soil in excess of that estimated has been removed from the lagoon, and is being used for additional mounds, augmenting the beauty of the park. Play on the east half of the golf course will be possible next spring, while the entire field will be in use the following year.

Last week three mowing machines were busy cutting hay on the park's fields, this being necessary on more than one-third of its 316 acres.

STUDENT POLICEMAN HOLD-UP MAN, CHARGE

Two weeks spent in the school of instruction as a probationary policeman ended Monday for John Enright, 5842 Laflin st., when he was arrested by Deering st. officers on charges of robbing William Korezia at the point of a gun.

Korezia told police that Enright entered his delicatessen shop at 3600 Emerald ave. demanding a drink. Then, at the point of a revolver, the storekeeper charges he was marched to 35th and Halsted sts., where he was robbed of $4.

Enright wore his uniform and star, the number on the latter being noted by Korezia and leading to his identity and arrest. The ex-student policeman's trial is set for next Tuesday.

BOY, 15, TO ENTER ARMOUR INSTITUTE

Armour institute will enroll in the fall as its youngest student Hartman B. Canon, 15, son of Mr. and Mrs. D. A. Canon, 10925 Irving ave., whose entire education has comprised but seven years, although he graduated from Fernwood Branch 1 of the Kohn school, 101st st. and Union ave., and was a member of the June commencement class at Morgan Park high school, where he was given a scholarship.

Ill health prevented the lad from entering the grade school until he was nearly 9 years old. Under the doctor's order, his mother was forbidden even to teach him his alphabet. He had had no training at home previous to starting school in the fifth grade and completed his elementary work in three and a half years. He registered for high school at the age of 12, where he showed special interest in Latin and Spanish and the sciences. He outgrew his childhood ills and is now strong and hearty but believes in devoting school hours to study rather than to athletics.

He has worked outside of school as a newsboy and five years ago built his own radio set, which will receive from California, Canada, Florida, and other distant points. He was urged by his Latin instructor to take the competitive examination in that language at the University of Chicago, because of excellence in his work in that subject. His teachers recommended him for a scholarship at the University of Chicago but the course which he desired was not available there.

SOMEBODY SAID

Mrs. Bess Sharstedt, wife of Prof. Marcus Sharstedt, of Whittier College, Whittier, Cal., is the guest of Mr. and Mrs. O. A. Linder, 6341 Parnell ave. She used to be a resident of Evanston and is fond of Chicago but has come to be an ardent "booster" for the land of sunshine, fruit, and flowers.

The problem of dressing well solved. Use our credit with a smile. Strictly confidential and no red tape. Morris B. Sachs, 6624 S. Halsted st.—Adv.

Charles Stephens, 6608 Irving ave., and Paul Barratto and daughters, Sophia and Viola, 5414 Carpenter st., have gone on a motor trip to Buffalo, New York, Niagara Falls, Sandusky, and Cleveland, Ohio. They will visit relatives at the various places and expect to return in two weeks.

Miller rents any musical instrument. Expert teachers. 6232 Halsted, Wentworth 6661, Vincennes 2194.—Adv.

Mrs. S. Wilhelm, formerly of Green st., is touring the west, visiting Yellowstone National park and many other places of interest. On her return she will visit a few days with her sister, Mrs. Joseph N. Herr, in Denver, Colo.

Dr. and Mrs. C. W. Blackburn, 6801 Halsted st., and Mr. and Mrs. Clifford Crosby, 809 W. 68th st., have just returned from a 600 mile circle auto tour of northern Michigan and southern Indiana.

Grand opera in your home by Radio. Sets from $3.50 to $350.00. McDonnell Electric shop, 208 W. Marquette rd. Normal 2646.—Adv.

On Saturday, July 12, Dorothy De Forest, 6428 Union ave., motored to Cedar Lake with other Gamma Sigma girls. They returned Sunday.

Radios—standard sets and made to order. Parts and supplies. McDonnell Electric shop, 208 W. Marquette rd.—Adv.

Arthur C. Jung, 6138 Paulina st., a graduate of Lindblom high school, has successfully completed his freshman year at the Chicago College of Dental Surgery.

On July 18 Ruth Nelson entertained the Gamma Sigma girls with a "baby doll" party.

Constant Headaches, Coated Tongue, Constipation, Bladder Disorders Usually Come from Sluggish Liver and Kidneys.

If you wake up with a bad taste, bad breath, coated tongue, headache; if what you eat sours, forms acids in stomach or are you bilious, constipated, nervous, sallow and can't get just feeling right? What you need is Edlund's Kidney, Liver and Bladder Prescription. It will quickly flush the poisons and toxins from your stomach, liver, kidneys and bowels and purify the entire alimentary tract, thereby leaving your entire system in a clean, healthy condition. To feel young again like you did before your blood and muscles became loaded with impurities, get a bottle of this famous remedy, which will flush your clogged kidneys, regulate your bowel movements, correct the acid conditions in the urine so it no longer causes irritation, thus ending bladder, kidney and liver disorders.

PRICE, $1.00
